<u>Title</u>	<u>Description</u>	<u>Location</u>
Making the Connection: A Panel Featuring Students with Disabilities	Accommodating students with disabilities is our legal obligation. This session explores the ADA law, general overview of disabilities, and the do's and don'ts when accommodating. This session also includes a panel discussion with students with disabilities as they share their day to day challenges. Join us to build our competencies to better serve this student population. Facilitator: Ms. Maria Botello, Sr. Coordinator, Disability Services	SLC 202
QM Standard 5- Learning Activities and Learner Interaction/Specific Review Standard	Learn how to incorporate active learning techniques into your online courses. We will cover a variety of techniques that will engage students in the learning process. Utilization of one or more of these techniques will help courses meet QM specific review standard 5.2 which is to have learning activities that provide opportunities for interaction that support active learning. Facilitators: Mr. Rudy Lopez, Instructional Designer, Alamo Colleges Online and Ms. Susan Cunningham, Faculty Development Specialist, Faculty Development	SLC 203
Emergency Preparedness and Response	The goal of the training is to enhance our community response during potentially hazardous situations, even when our BAT members are not present. Facilitator: Mr. Jacob Colunga, Coordinator of College Risk Management	SLC 204
IT Technology Updates/Preview/Info Session	Learn about the current security practices such as Multi Factor Authentication (MFA), E-Forms, and Zoom SSO. Facilitator: Mr. John Orona, IT Director	SLC 206
