NOTE: As for the Certificate Seekers, we would like the form to be filled out but I know your population of students is not easy to reach. Here's the link, <https://www.alamo.edu/spc/admissions/testing-center/tsi-exemption-request-form/> The other option is for you to place the waiver on SOATEST (EXCT), much like you use to for the Academies. But, they do not have to test but can only take courses in their selected field.
