Good afternoon!

I hope everything/everyone is well and I can't wait to hear from everybody. I know the last couple of weeks have been quite a change from what we are used to, and more changes are coming our way, so I will just jump into the info.

1. School (Distance Learning) will resume on Monday 3/30/2020
2. Schedule: Students will adhere to the following schedule each week.

3. Class Locations: ALL teachers will be designing a Google Classroom and posting the access codes on their teacher websites.

4. Attendance: Attendance will be submitted per class attended each day. The student will be responsible for signing in to each class through a google form either on the teacher websites or the google classroom.

I know this approach to school will be new and confusing for many of us, but we will do our best to adapt and improve as we go.

Just in case a student needs to add the class, here are the codes:

**English II (3<sup>rd</sup>, 6<sup>th</sup>, 7<sup>th</sup> & 8<sup>th</sup> Periods): irop4sk**

**Pre IB English II (2<sup>nd</sup> & 5<sup>th</sup> Periods): m5g7olv**

I will also be posting messages and updates using the Remind app. Please join my Remind using the following link:

We will be “meeting” on Tuesday and Thursday of each week. Which means that I will release the assignment to you on Monday and I will be available for questions/tutoring/assistance on Tuesday and Thursday from 12:35 pm-1:30 pm on Zoom.

- Zoom is easiest for you if you download the app on your phone or laptop.
- I will send a link and you just click on it and join the meeting.

I am scheduling a 30-minute Zoom test run for you (student and/or parent) to log into, so that we all know what we are doing and I can answer more questions in person. Please find some time to join me in the zoom, even if you are late.

**Friday@ 4:00 pm: Zoom with Mrs. Hewlett- Test Run**
