

BHS ONLINE LEARNING

- ✚ **Have a positive attitude and excitement for new ways of learning**
 - We will get through this together! This is a new experience for everyone, even your teachers!
- ✚ **Ask questions when you have them**
 - Post on Google Classroom, email, or attend a tutoring session via Zoom.
- ✚ **Use headphones if you have them**
 - They aren't required, but if you're attending a Zoom tutoring session, headphones help both you and others stay focused.
- ✚ **Use your resources**
 - Use what your teachers have provided, help each other, and search the web if you need help.
- ✚ **Pace yourself**
 - Don't do too much or go too fast you'll get burned out! Take a break when you need one.
- ✚ **No recording or pictures of the Zoom Classroom.**
 - You are in class so your cell phone should not be in use.
 - Only individuals enrolled in the class are allowed in the Zoom Classroom.
- ✚ **Wear appropriate attire during a Zoom tutoring session**
 - We can all see each other. Make sure you are wearing appropriate clothes. No pajamas or revealing clothing.
- ✚ **Use appropriate language**
 - Your teachers will delete comments AND remove you from Zoom tutoring sessions if you are using foul language. Also, write your comments in proper English, not techspeak.
- ✚ **Be in an appropriate location**
 - You are not **at** school, but you are **in** school. Stay away from your bedroom or bathroom while on Zoom. Also, try to find a place with as few disruptions as possible.
