GET INFORMED ON THE VARIOUS BRANCHES

Select the
branch
that's right
for you!

U.S. Military 101 - Army, Navy, Air Force, Marines

Army

The United States Army is the main ground-force of the United States.

Active duty population:
471,000

Air Force

The primary mission of the Air Force is to defend the United States through exploitation of air and space.

Active duty population:
322,000

Navy

The Navy's primary mission is to maintain the freedom of the seas.

Active duty population:
324,000

Marine Corps

Marines specialize in amphibious operations.

Active duty population:
184,000

Coast Guard

The Coast Guard consists of ships, boats, aircraft and shore stations that conduct a variety of missions.

Active duty population:
36,000

PREPARE FOR & TAKE THE ASVAB

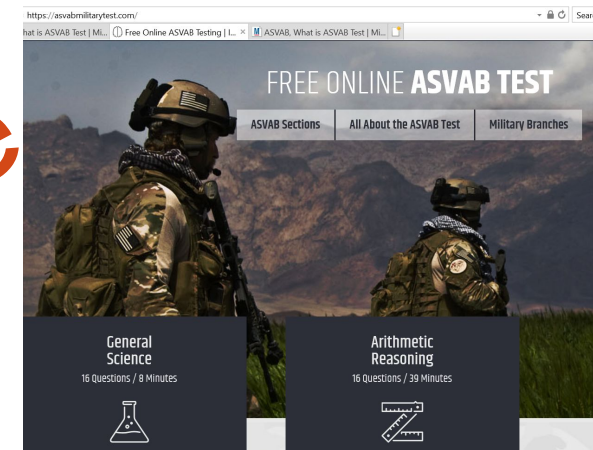

- What is the ASVAB?
 - Your scores in four critical areas -- Arithmetic Reasoning, Word Knowledge, Paragraph Comprehension and Mathematics Knowledge (see below) -- count towards your Armed Forces Qualifying Test (AFQT) score. The AFQT score determines whether you're qualified to enlist in the U.S. military.
- Your scores in the other areas of the ASVAB will determine how qualified you are for certain military occupational specialties and Enlistment Bonuses. A high score will improve your chances of getting the specialty/job and signing bonus you want.
- Scoring high on the ASVAB will require study and concentration. Don't skimp on preparing for this test. It's your future. Get the most out of it.
