- **Parent University**

Parent University offers parents and guardians information regarding post-secondary requirements and life skills for their students. Guest speakers from the universities, financial institutions, and more, guide students through the college process (applying, FAFSA, budgeting, etc.) as well as navigating college culture and various milestones students will approach (handling their money, time management, course workloads, and being prepared for college). Parent University meetings are held at our business partners' locations, offering parents an opportunity to experience and learn about the different resources that are available to their students.
