

H-TECH with San Antonio College Roles

Leadership Team

The Leadership team is made up of high-level personnel from San Antonio Independent School District, Fox Tech High School, Metropolitan Methodist Health System, University Health System, and San Antonio College with decision-making authority who meet a minimum of twice a year. It is the responsibility of the leadership team to oversee the design, governance, operations, accountability, curriculum development, professional development, outreach, sustainability, and continuous monitoring and improvement of Fox Tech H-TECH. This leadership team hold the ultimate decision-making authority.

Design Team

The Design team's purpose was to assist in the planning of the H-TECH school-within-a-school only. It also is comprised of individuals from the Leadership Team and Advisory Board, as well as key teachers and counselors on campus, but this team is responsible for the "DESIGN" of the program, to include the development of the program structure, logistics, documents, funding, etc.

Advisory Board

The purpose of the Advisory Board is to bring together both private and public organizations to support students in public schools by helping them succeed in school, college, and career. Members of our advisory board consist of professionals from the health care industry; post-secondary administration from our partner IHE; as well as Fox Tech alumni who are or have served in the medical and health care fields.
