

## 2020 H-TECH SUMMER BRIDGE

**When:** June 1<sup>st</sup>- June 11<sup>th</sup>

Monday- Thursday (off Fridays)

9:00 AM -2:30 PM

**Where:** San Antonio College (Rooms TBA)

**Who:** All incoming H-TECH Freshmen

**Meals:** Breakfast and Lunch Provided

**Activities:**

- San Antonio College Tours
- Job Shadow Days @ University Hospital
- Industry Guest Speaker
- Scavenger Hunt
- Team Building
- Goal Setting
- College Resources
- Project Based Learning (Writing & Reading)
- Skills to Succeed Project Based Learning (Math)
- TSI Prep & Assessment

**Additional Info:** During Summer Bridge, students will enjoy challenging days filled with various high school and college-based activities. Students will obtain their college IDs, become familiar with the college campus, learn about the resources available to them through San Antonio College as well as prepare for, and take, the TSI exam (which will allow students to take dual credit courses their freshman year).

In addition to campus-based activities, students will also visit partnering hospitals and participate in exciting job shadowing activities!

**It is essential and highly encouraged that every H-TECH student attend Summer Bridge**
