GUIDE TO READING THE TABLE

- **Industry:** Industries in the table (with the exception of information technology) are defined by the U.S. Bureau of Labor Statistics. Information technology is a set of occupations that cut across industries. The data for information technology included in the table is based on data for computer occupations (U.S. Bureau of Labor Statistics SOC code 15-0000).
- **2014 jobs:** Number of jobs in the industry in 2014.
- **2024 jobs:** Projected number of jobs in the industry in 2024.
- **Change:** Projected change in the number of jobs in the industry from 2014 to 2024.
- **% Change:** Projected percent change in the number of jobs in the industry from 2014 to 2024.
- **Mean hourly wage:** Mean wage for all jobs in the industry. Wages below a living wage for one adult supporting one child appear in red. In Alamo WDA, a living wage for a single adult is \$10.28, and a living wage for a single adult supporting one child is \$21.53. Living wage information is drawn from MIT's Living Wage Calculator (livingwage.mit.edu).
