Superintendent's Message

Pedro Martinez,
Superintendent

Welcome to the San Antonio Independent School District, where we have been educating children since 1854!

I hope you find this Enrollment Guide helpful as you navigate the many options we offer, and learn about our schools and programs designed to best meet the diverse needs of our students.

We're seeing strong academics across our District, and we recently were rated a B by the state. Here at SAISD, our goal is to develop lifelong learners who graduate feeling empowered and equipped to pursue their dreams.

We have high expectations throughout our schools with programs to support our students from their start in full-day prekindergarten all the way through high school graduation. In addition, two alumni support coordinators continue the relationship with students through their first year in college to ensure they are supported and on track toward a college degree.

SAISD offers a wide variety of offerings for students to pursue, including career exploration programs, dual language, advanced academics and the International Baccalaureate framework, as well as extensive athletics, fine arts and JROTC/LOTC opportunities.

Non-boundary choices by application include magnet programs at the high schools, and a number of schools with diverse areas of focus and learning environments, including single-gender schools, early college high schools, and career-themed, industry-led schools.

Along with traditional school models, we also offer academies with non-traditional grade ranges such as PK-8.

This guide features details on each SAISD school, as well as information on our services to support students and families.

I thank you for taking the time to review this guide and to learn more about what all SAISD has to offer.

Sincerely,

Pedro Martinez
SAISD Superintendent

Keeping Parents Connected

mySAISD for Parents

mySAISD is an app and web application available for parents and guardians of SAISD students to keep track of their child's school progress. Parents and guardians can access grades, attendance, assessments, class schedules, school information, student photos, set up mySAISD alerts and more. The mySAISD app is available both in English and Spanish. There is a one-time registration process that must be completed for each child in order to access the child's school information. More information about mySAISD and the registration process is available at <https://dw.saisd.net/idataportals/mySAISD.aspx>.

mySAISD for Students

The mySAISD app is now available to SAISD middle and high school students in English and Spanish. Students have access to their grades, attendance, assessments and more. No registration is needed and students can log in using their SAISD email account. The app is available on Google Play, the Apple App Store or accessible via the mobile web app or full website at <http://www.saisd.net/mySAISD>.

SchoolMessenger Notifications

The ability to communicate with parents and guardians is an important part of the partnership between home and school. The District uses a notification system to connect with parents through telephone notifications and email messages. The SchoolMessenger system provides notification services for emergency broadcasts, student attendance alerts, upcoming school events such as statewide testing and parent meetings, and other communications that may impact the safety and academic performance of their child.

School Locator

On the home page of the District's website, parents and guardians are able to determine the neighborhood schools that service their home address. This tool is found in the Popular Resources section of the home page under the Schools icon.

Safe Schools App

This app is available to students, parents or anyone in the community to anonymously alert the SAISD Police Department about a wide range of concerns, such as bullying, mental health

issues or potential threats. It is monitored 24 hours a day, 7 days a week. Download the P3 Campus app or submit tips online at www.p3campus.com. Individuals also may call (210) 227-8477.

School Bus Stop Locators

Find information such as school bus pickup times and locations for your home address. On the District's homepage click the Transportation icon under Popular Resources. Be sure your child is at the bus stop at least 10 minutes before the scheduled time to ensure they are there when the bus arrives.

School Bus Safe Stop App

SAISD is the only district in Bexar county to offer SafeStop. This program provides students in grades 5 and under a badge that sends a notification to parents alerting them of when their child gets on and off the bus and their child's location. The parent can also track the bus location and the estimated time of arrival on an app. Download the SafeStop app or for a web version visit www.safestopapp.com/web.

School Cafeteria Menus

School cafeteria menus are shared through Nutrislice. Parents may review menus from the Child Nutrition Services' interactive website at www.saisd.nutrislice.com or download the Nutrislice mobile app from either Google Play or the Apple App Store. In addition to menus, Nutrislice also provides nutritional and allergen information.

Social Media Channels

The District and some campuses use social media channels to communicate with parents. Links to social media channels are found on the home pages of the District and participating campuses.

Meeting Your Student's Needs

BILINGUAL AND ESL PROGRAMS (210) 554-2590

Dual Language Program

The SAISD Dual Language Program provides students with the opportunity to develop stronger cognitive and academic skills through a rigorous program delivered in Spanish and English that aligns to the District's standards and curriculum. Students excel in all content areas, develop high levels of academic bilingualism and biliteracy, and develop the strong sociocultural competence required to respect and appreciate all languages and cultures. The expectation is for all students graduating from the SAISD Dual Language Program to be bilingual, biliterate and multicultural; empowered with higher levels of academic confidence, self-esteem and intercultural understanding; and prepared with the 21st century skills necessary for success in higher education and the workforce.

English as a Second Language

The English as a second language program serves English learners in an English-acquisition program through sheltered English instruction. The goal is for English learners to attain full proficiency in the English language through academic content instruction that is linguistically and culturally responsive in order to participate equitably in school.

International Welcome Center for English Language Learners, Immigrant and Refugee Students (IWC) - (210) 554-2592

The International Welcome Center serves English learners, as well as immigrant and refugee students and their families in grades Pre-K through 12th grade.

Located at the Pickett Family Center, 1931 E. Houston St., center staff members work with families of students who are speakers of a language other than English, new to the District, and who are new to U.S. schools.

International Welcome Center staff members administer the state-required Oral Language Proficiency Test (OLPT) to identify eligibility for program services and provide information about the bilingual/ESL programs offered in SAISD. Additional services provided by the center include referrals to the EL counselor for transcript analysis and referral to the center manager for access to district and community resources. Families receive information on where to obtain immunizations, student uniform assistance, ESL education for adults, parent engagement opportunities, and other wrap-around services.

CAREER AND TECHNICAL EDUCATION (CTE) PROGRAMS - (210) 554-2610

The Career and Technical Education program provides students with opportunities to gain valuable hands-on experience in diverse careers, including high-demand STEM areas, while also preparing them for college. Every traditional SAISD high school offers multiple career pathways. Students in these programs have the opportunity for real-world experiences through internships or job shadowing and industry certifications.

EARLY LEARNING - (210) 554-2410

Early learning helps young children develop mentally, socially and emotionally and prepares them to enter elementary school ready to learn. San Antonio ISD has offerings for children from ages 3 to 5.

Early Childhood Education

Our early childhood education programs - including Head Start and Pre-Kindergarten - are designed to provide nurturing and stimulating learning environments that support the social, emotional, academic and physical development of our youngest students and set a strong foundation for kindergarten readiness and future learning. The SAISD Head Start program is a partnership between the District and the city.

In addition, the District has partnered with a team of researchers from the University of Texas at Austin in an ambitious, five-year collaboration aimed to redesign early childhood education into hands-on, child-centered learning, in which each child's distinctive capabilities and their linguistic and cultural backgrounds are seen as assets. The redesign initiative, which is known as the Dynamic Innovation for Young Children, began during the 2018-2019 school year.

The District also partners with four additional universities - Our Lady of the Lake University, Texas A&M San Antonio, Texas State University, and University of Texas at San Antonio - to hire final-year undergraduate students majoring in education for their residencies. Each college student serves as a clinical teaching intern and is paired with an SAISD early childhood education teacher certified in the specific area that the student is seeking, such as Early Childhood through 6th grade or that grade range plus Bilingual.

See page 13 for information on how to enroll in our Head Start and Pre-Kindergarten programs.

Kindergarten

Kindergarten at SAISD builds a firm foundation for each child's future success. SAISD's state-certified teachers are dedicated to providing outstanding educational opportunities and resources for all of our students. To be eligible for kindergarten, children must be 5 years old on or before September 1.

Curriculum Components:

- Reading and writing
- Mathematics and science
- Social studies
- Special classes: art, music, physical education

Keys to Success:

- **Strong Academics** - Fundamentals are taught through hands-on activities that inspire curiosity and exploration inside and outside the classroom.
- **Social Development** - Skills important for lifelong success such as collaboration, communication, independence, and more are practiced daily in our kindergarten classrooms.
- **Nurturing Environment** - Skilled staff members provide various types of support for students.
- **Nutritious Breakfast and Lunch** - SAISD students receive their breakfast and lunch at no cost.
- **Parent Engagement** - Parents are invited to join in the fun during campus family nights, enriching class field trips and other celebrations throughout the school year. There are many ways for parents to get involved.
(Contact individual campuses for more information.)

EXTENDED DAY PROGRAM - (210) 554-2620

Extended Day learning opportunities for elementary and secondary students are available at approximately 70 campuses and for students in grades kindergarten through 8th grade. More than 6,000 seats are available each year in a safe and supportive after-school environment. All students receive dinner and a snack, and programs are facilitated by experienced program providers: the YMCA, Boys and Girls Club, and the Greater San Antonio All Stars. The city of San Antonio charges a one-time fee, based on a sliding scale. The Extended Day information for the specific campuses is indicated in the school descriptions at the back of the enrollment guide.

In partnership with the City of San Antonio, this program offers continued learning through a variety of hands-on activities including:

- Homework assistance in all subjects
- Continued academic development in reading and mathematics
- Reinforcement of academic standards to meet or exceed state testing
- Hands-on STEM/STEAM activities such as coding and rocketry
- Designing arts and craft projects
- Participation in recreational activities such as iPlay

FAMILY AND COMMUNITY ENGAGEMENT - (210) 554-2210

The Office of Family and Community Engagement provides free parent workshops, information on how to become a volunteer, and connects families to the many resources the District offers. On campuses, Family and Community Engagement specialists develop and implement programs and strategies to engage parents and the community as partners, with a focus on continually improving the academic performance of students.

GIFTED AND TALENTED - (210) 554-2555

The District is committed to providing services for students who have demonstrated complex thinking skills and a need for academic challenge. Universal screening is provided for all students in 1st and 5th grades, and students in any grade may also be referred by their teachers or parents. Based on results of an assessment process, a committee identifies and invites students to participate in services.

Classroom teachers are trained in understanding and meeting the needs of gifted learners and provide differentiation for students in the general classroom setting.

Elementary school: Students are placed in clusters with a teacher who is trained in meeting the needs of gifted learners. Instructional specialists provide pull-out enrichment instruction focused around a curriculum framework that includes student interest and independent research.

Middle school: Students are clustered into advanced-level courses by strength area with a teacher who is trained in meeting the needs of gifted learners. Principals select from a menu of services that are provided by an instructional specialist. Options include quarterly pullouts, Duke TIP preparation, online classroom, and teacher support with differentiation.

High school: Students are enrolled in at least one advanced academic learning experience and participate in an online community for gifted learners. An instructional specialist leads quarterly student meetings focused on the social-emotional needs of gifted students and college and career readiness.

Meeting Your Student's Needs - continued

HOMELESS AND FOSTER CARE SUPPORT SERVICES - (210) 554-2635

Homeless support services: The McKinney-Vento Education Assistance Act is a federal law that provides services to families and unaccompanied youth who live in temporary housing situations due to loss of housing. Educational rights are parent-driven and are in the best interest of the child based on parental choice.

Educational rights for students in homeless situations:

- Identification of students
- Immediate enrollment
- Removal of barriers to school enrollment, including enrollment documentation
- School selection
- Transportation assistance (school bus or VIA Metropolitan Transit)
- Immediate eligibility for free child nutrition

Students in foster care: These are students who are under the conservatorship of the Department of Family and Protective Services (DFPS). Students may be placed in a foster or kinship care. Decisions, in the best interest of the child, are to be made by the foster or kinship guardian or DFPS Educational Specialist.

Educational rights for students in the conservatorship of DFPS are identified in Title 1, Part A:

- Identification of students
- Immediate enrollment
- Removal of barriers to school enrollment, including enrollment documentation
- Eligible to attend the previous school
- Transportation assistance to the previous school attended (school bus or VIA Metropolitan Transit)
- Immediate eligibility for free child nutrition

SCHOOL MEALS - (210) 554-2290

As part of SAISD's participation in the federal Child Nutrition program administered by the U.S. Department of Agriculture, all students receive breakfast and lunch at no cost, regardless of ability to pay. Supper and after-school snack also are available to students at no cost at sites participating in an after-school academic program.

All menu items and foods served to the students meet and/or exceed the guidelines set forth by the U.S. Department of Agriculture. Menu items and recipes are student selected and approved through various student events such as the Food Extravaganza and other student samplings. District recipes are developed in collaboration with the Culinary Institute of America (CIA) at San Antonio and input from SAISD's own culinary students.

Menus can be viewed by campus using the department's interactive website and app, which provides not only the menus, but also nutritional and allergen information. To access these, download the Nutrislice app or visit www.saisd.nutrislice.com

SOCIAL SERVICES - (210) 554-2635

Social workers provide social and emotional support to enhance the academic growth of all students. Social workers are a link between the home, school and community. School social workers promote personal success and enhance academic performance by removing social and emotional barriers.

- Family support services
- Crisis intervention
- Home visits
- Community agency information and referrals
- Collaboration with school staff, community agencies and organizations
- Advocacy for students and parents
- Parent conferences
- Individual and family counseling
- Other related services

SPECIAL EDUCATION - (210) 554-2406

The District is committed to the success of every student and recognizes that because each student is unique, a one size fits all educational program is insufficient to meet the needs of all of our students. Some students will need different supports than others, and fulfilling this charge will necessitate a teamwork and all-in approach.

SAISD promotes inclusion and supports students with disabilities in gaining college and career readiness and independent living skills through a rigorous, nurturing learning environment, high-quality instruction, and support services that enable students to reach their full potential.

STUDENT HEALTH SERVICES - (210) 554-2435

Student Health Services implements programs and provides services designed to reduce health-related barriers to learning, promote each student's optimal level of wellness and empower students and their families with the knowledge and skills needed to achieve lifelong health and wellness. Programs focus on prevention, early identification, referral and case management of health issues having the potential to negatively impact school attendance and academic success. Please see your school nurse for a referral to available in-district facilities for preventive care.

Immunization Requirements

Texas state law requires students attending school to be immunized against certain vaccine preventable diseases. Parents are encouraged to get children vaccinated before school starts. Students cannot go to school without the proper documentation for the required vaccines or a valid medical or conscientious exemption.

In addition to receiving the required immunizations at the doctor's office, families may also receive their children's immunizations, including for the flu, at the following low-cost or no-cost vaccine locations:

- CentroMed: (210) 922-7000
- Christus Pediatric Mobile Clinic: (210) 954-3764
- CommuniCare: (210) 233-7000
- University Health System: (210) 358-8255
- Metro Health: (210) 207-8894

TRANSPORTATION - (210) 223-9792

The Transportation Department serves the students of SAISD by providing safe transportation between school and home for those who are eligible to ride the bus, according to the following guidelines:

- Students who attend schools within their attendance boundaries and who reside two or more miles from their assigned campuses are eligible for transportation at District designated stops.
- Students who attend a Magnet Program or Choice School are provided transportation to and from their neighborhood school.
- Students who have cognitive limitations, physical limitations or emotional difficulties are eligible for special education transportation. A parent will need to complete an Admission, Review and Dismissal/Individualized Education Program meeting that is held at the student's campus.
- SAISD provides students experiencing homelessness with transportation to and from the school of origin at the request of a parent or guardian. This request may be made at the student's campus.
- All students who participate in field trips or a range of extracurricular programs – from academics to athletics and music – are provided transportation to and from school-related activities.

UNIFORM ASSISTANCE - (210) 554-2600

All District students must be attired in a uniform of black or khaki bottoms and a white top, or alternate school-approved colored shirt. For uniform assistance, call (210) 554-2600.

SCHOOL UNIFORM GUIDELINES

GUÍAS DE CONSULTA DEL UNIFORME ESCOLAR

Here's what you'll need to know to get your children "dressed for success" in time for back-to-school.

Students in all grades must wear uniforms. Items may be purchased at any store as long as items meet all dress code requirements.

Aquí le informamos lo que necesita para que sus niños se vistan apropiadamente justo a tiempo para el regreso de la escuela.

Los estudiantes de todos los grados deberán usar uniformes. Las prendas del uniforme podrán ser compradas en cualquier tienda, siempre y cuando llenen los requisitos del código de vestuario.

THE SAISD SCHOOL UNIFORM / EL UNIFORME ESCOLAR DE SAISD

- **KHAKI or BLACK** trousers, Capri pants, shorts, skirts, skorts and jumpers.
- **Pantalones, shorts, pantalones Capri, faldas, skorts y yómpers en color KHACKI o NEGRO.**

- **WHITE** long- and short-sleeved blouses and shirts with collars.
- **Blusas/camisas de manga corta o larga y con cuello en color BLANCO.**

- **Alternate school-approved shirts with collars in the school colors.**
- **Camisas en colores alternativos con cuello aprobadas por algunas escuelas.**

Contact campus administrator for details. / Consulte con su escuela para más detalles.

Khaki pants, Capri pants, shorts, skirts and jumpers must fit well and not be oversized or undersized. Pants and shorts must fit at the waist and must not sag. "Stone" or "white" khaki is not allowed.

Uniform pants must be straight-legged, and pockets must be the standard front pockets. No "baggies" or loose-fit pants are permitted. Cargo pants (with pockets on the side of the leg), overalls, bell bottoms, or wide-leg styles are not uniform pants and are not permitted.

Shorts, skirts and skorts must be no shorter than three inches above the knee. For enforcement purposes, pockets on shorts, skirts, or skorts must also be standard front pockets; no "cargo" styles are permitted. Also, to be considered shorts rather than pants, the length cannot extend below the knee.

No manufacturers' logos or brand names may be visible. If visible when purchased, they must be removed.

No visible drawstrings on pants, shorts, or skorts.

All clothing must be hemmed. No cut-offs, side cuts or rolled-up cuffs. Cuffs must be tailored and tacked/sewn at the seams.

Shirts must fit well and not be oversized or undersized. Shirts must have collars, and may be polo-style or dress-style.

All shirts must be tucked in, except for those with a wide (approximately three-inch) band at the bottom that are meant to be worn out.

Students wearing uniforms and uniform components must also conform to all other dress code requirements as outlined in the SAISD Parent/Student Handbook.

San Antonio Independent School District does not discriminate on the basis of race, religion, color, national origin, sex, or disability in providing education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; section 504 of the Rehabilitation Act of 1973, as amended.

Los pantalones, shorts, pantalones Capri, faldas y yómpers del color caqui deben de ser de la talla correcta. No deben ser ni muy grandes ni muy chicos. Todos los pantalones y shorts deben de ser usados a la cintura y no deben de "colgar." Los variados del color caqui en los colores piedra "stone" o blanco "white" no son permitidos.

Los pantalones deben de ser de piernas de corte recto, y los bolsillos deben de ser los bolsillos estándares en el frente de la prenda. Los pantalones "abombados" o excesivamente grandes no están permitidos.

Shorts, faldas y skorts no deben de ser más cortos que tres pulgadas arriba de la rodilla. Para propósitos de reglamento, bolsillos en los shorts, faldas o skorts deben de ser de bolsillo normal: no se permiten de estilo cargo. Además para ser considerados como shorts y no pantalones, el nivel o medida no debe de sobrepasar las rodillas.

Ningún logo o marca del fabricante puede ser visible en el uniforme. Si la prenda de vestir tiene algún logo o marca comercial deben de ser quitados antes de usarse en la escuela.

No debe de haber correas o tirantes visibles en los pantalones, shorts, o skorts.

Todas las prendas de vestir deben de tener bastilla. No se permiten cortes a mano sin bastillas, cortes diagonales o bastillas remangadas. Todas las bastillas deben de estar cosidas en los bordes.

Las camisas deben de ser de la talla adecuada, ni muy grandes ni muy chicas. Estas deben de tener cuello y pueden ser de estilo polo o de vestir.

Todas las camisas deben de estar fajadas, con la excepción de aquellas con una banda ancha (aproximadamente 3") en el borde inferior que están hechas para ser usadas sin fajarse.

Los estudiantes en uniforme también deben de cumplir con los requisitos mencionados en el SAISD Manual de los Padres de Familia y Estudiantes.

Es norma del Distrito Escolar Independiente de San Antonio de no discriminar por motivos de raza, religión, color, origen nacional, sexo o impedimento, en sus programas, servicios o actividades vocacionales, tal como lo requiere el Título VI de la Ley de Derechos Civiles de 1964, según enmienda; el Título IX de las Enmiendas en la Educación, de 1972, y la Sección 504 de la Ley de Rehabilitación de 1973, según enmienda.

QUESTIONS / PREGUNTAS • 554-2600 • www.saisd.net

For more than 100 years, SAISD has provided a sound educational foundation for generations of students. The District provides a comprehensive instructional program and related services for students from pre-kindergarten through 12th grade, with a wide variety of extracurricular programs and academic offerings.

Along with traditional school models, the District also offers academies comprising non-traditional grade ranges such as PK-8. SAISD also has a number of specialized open-enrollment schools and magnet programs available to students across Bexar County.

Families are encouraged to research the schools in our District and select the one that best fits the needs of your child.

The Office of Access and Enrollment Services is here to assist you with your school search. Contact them with any questions via phone at **(210) 554-2660**, email at **enroll@saisd.net** or text at **(210) 309-3259**.

REGISTRATION NEEDS

Families should have the following items prepared to complete registration. Social Security Card is optional.

Items can be entered into the account in multiple ways:

- Uploaded directly to the online **SchoolMint** registration account from home
- Brought to the **Office of Access and Enrollment Services**
- Brought to the campus

PROVIDE ONE FROM EACH CATEGORY

GUARDIAN PHOTO ID	CHILD'S PROOF OF AGE	PROOF OF RESIDENCY	IMMUNIZATION RECORD
<ul style="list-style-type: none">• Passport• Driver's license• State issued ID• Other government issued ID	<ul style="list-style-type: none">• Birth certificate• Baptism certificate• Passport	<ul style="list-style-type: none">• Waived for McKinney Vento families• Lease agreement or mortgage statement• Utility, cable or internet bill• Verification of Address form (if living with another person)	<ul style="list-style-type: none">• Must be up-to-date• Will be verified by school nurse

TO COMPLETE THE REGISTRATION PACKET:

- 1 Log in to **SchoolMint** @ **saisdenroll.schoolmint.net**
Current SAISD student: Enter SchoolMint user name & password
New student: Call (210) 554-2660 to create SchoolMint account
- 2 Select "**2020-2021**", enter child's name, enter grade and click "**NEXT**"
- 3 Select "**REGISTER**" and click "**NEXT**"
- 4 Select your neighborhood school and click "**NEXT**"
- 5 Complete the registration forms, upload necessary documents and click "**SUBMIT**"

Enrollment Pathways

SAISD HAS THREE PATHWAYS FOR ENROLLMENT

ATTEND YOUR NEIGHBORHOOD SCHOOL

- Convenient location
- Great programs and teachers
- Guaranteed for all living in SAISD boundaries

APPLY FOR A CHOICE SCHOOL OR PROGRAM

- Different types of academic models (Dual language, single gender, early college, Montessori, International Baccalaureate, etc.)
- Open to all (Regardless of academic background or address)

REQUEST A TRANSFER

- Addresses family needs (Keep siblings together, curriculum, moved, crisis, etc.)
- Open to all (Regardless of academic background or address)

NEIGHBORHOOD SCHOOL

Every address in the SAISD boundary is zoned to a school for PK-12th grade

- Elementary (PK/K-5/6)
- Middle (6-8)
- Academy (PK/K-8)
- High (9-12)

TO FIND OUT WHICH NEIGHBORHOOD SCHOOL YOUR ADDRESS IS ZONED FOR:

- 1 Go to the SAISD Address Lookup site: <https://dw.saisd.net/idataportals/AddressLookup.aspx>
- 2 Enter your address
- 3 Register for the school that applies to your grade level on **SchoolMint**

In certain circumstances, students enroll in campuses other than their zoned home school:

Bilingual Hub Campuses

English language learners are assigned to a bilingual hub campus as an alternative to their zoned home school in order to participate in a dual language program.

Enrollment Capping Procedure

When the average class size for grade levels reaches a certain student-to-teacher ratio, the District caps enrollment for that grade level at that campus.

Capping grade levels ensures manageable classrooms and effective use of available resources.

New students enrolling at schools with capped grades are assigned to another campus, and transportation provided if needed, with the ability to enroll at the zoned home school for the following year.

SAISD HAS TWO ENROLLMENT OPTIONS FOR 3- AND 4-YEAR-OLDS BY SEPTEMBER 1

HEAD START

- Full day, tuition free, all meals included, transportation provided
- Available at certain neighborhood schools
- Available at Early Childhood Education Centers
- Must meet poverty income criteria to qualify

PRE-KINDERGARTEN

- Full day, tuition free, all meals included, transportation provided
- Available at most neighborhood schools
- Available at Gonzales Early Childhood Education Center
- Choice School options include dual language and Montessori
- Priority enrollment to 4-year-olds meeting TEA qualifying criteria
- All other enrollment for 3- and 4-year-olds pending space availability

HEAD START REGISTRATION

The SAISD Head Start program is a partnership between the school district and the City of San Antonio.

The program provides an approved Pre-Kindergarten curriculum and wraparound services for all enrolled.

Head Start qualifying criteria

- Must be 3- or 4-years-old on or before September 1
- Family meets Head Start income guidelines
- Family lives within the SAISD attendance zone

Head Start enrollment process

The Head Start enrollment process has two steps:

Step 1: Complete the Head Start qualification process

Step 2: Complete the SAISD registration process

PRE-K REGISTRATION

The state of Texas outlines qualifying criteria for Pre-K students for funding purposes.

SAISD prioritizes enrollment for 4-year-old students that meet qualifying criteria. All other students are enrolled pending space availability.

Pre-Kindergarten qualifying criteria

- Turn 3- or 4-years-old on or before September 1

AND meets one of the following:

- Homeless
- Foster student in the state of Texas
- Qualifies for free or reduced priced lunch
- Participates in SNAP, TANF or Medicaid program
- Dependent of United States military
- Dependent of Star of Texas recipient
- Limited English speaker

Pre-Kindergarten prioritized enrollment timeline

- **4-year-olds** that **meet** state qualifying criteria
- **3-year-olds** that **meet** state qualifying criteria (pending space availability, one week after school begins)
- **4-year-olds** that **do not meet** state qualifying criteria (pending space availability, two weeks after school begins)
- **3-year-olds** that **do not meet** state qualifying criteria (pending space availability, three weeks after school begins)

Choice Schools & Programs

SAISD recognizes that education is not a one-size-fits-all package and offers more opportunities than any other Bexar County area school district for students to pursue special interests and career goals or to fit their individual learning styles.

SAISD's Choice Schools and Programs typically showcase a single-anchor model around which all teaching and learning happens. Offerings also include Magnet Programs for a fast-track to college and career, with the opportunity to earn up to 45 hours of college credit (college credits include both dual-credit and AP classes) by graduation.

Generally, lotteries are hosted for entry grades at Choice Schools and Programs. Typically, for elementary schools, entry grades are PK and kindergarten; middle school entry grade is 6th grade; high school entry grade is 9th grade. Lotteries are blind, randomized and conducted at the District level. Applications for non-lottery grades will be placed on a waitlist, and applicants will be accepted based on seat availability for that grade.

Enrollment in Choice Schools and Programs is open to students across Bexar County by application: www.saisd.net/apply

2020-2021 Application Window: Nov. 5, 2019-Jan. 31, 2020

Interested students must submit an application to be considered for admission into SAISD's Choice Schools or Magnet Programs. Applicants that submit an application after the closing of the window will be automatically added to the waitlist for that school.

Offers Announced: Feb. 12, 2020

Applicants that submitted an application prior to the deadline should expect to receive an email, text, and/or mail notification of their application status no later than Friday, Feb. 22, 2020.

Deadline To Accept An Offer: Feb. 28, 2020

Applicants that receive an offer for admission must accept their seat before the deadline in order to proceed to the registration process. If no action is taken, the seat will be forfeited and given to a student on the waitlist. Applicants in waitlist status should take no action at this time.

Waitlist Offers Announced: March 3, 2020

Applicants notified of an offer from the waitlist typically have two days from the time of notification to accept their seat.

Round 2 Application Window Opens: March 26, 2020

Second opportunity to submit an application for select Choice Schools and Programs that still have seats available for 2020-2021. Apply online at www.saisd.net/apply.

CHOICE SCHOOL

Choice Schools and Programs are open enrollment schools or programs that accept students regardless of where they live.

Seats are filled through a lottery and waitlist process based on space availability.

TO APPLY FOR A CHOICE SCHOOL OR PROGRAM:

- 1 Go to the SAISD Choice site: www.saisdchoice.com
- 2 Click on "APPLY" or "APPLY NOW"
- 3 Login to **SchoolMint**
Current SAISD student: Enter SchoolMint user name & password
New student: Call (210) 554-2660 to create SchoolMint account
- 4 Select "2020-2021", enter child's name, enter grade and click "NEXT"
- 5 Select "CHOICE" and click "NEXT"
- 6 Select up to 3 schools and rank your preferences.
Ranking is for information purposes only.
- 7 Complete application questions and click "SUBMIT"

TRANSFER REQUEST

Students in and out of district who want to attend a different neighborhood school may submit a transfer request.

Transfer requests are pending space availability and principal approval.

TO SUBMIT A TRANSFER REQUEST:

- 1 Log in to **SchoolMint** @ saisdenroll.schoolmint.net
Current SAISD student: Enter SchoolMint user name & password
New student: Call (210) 554-2660 to create SchoolMint account
- 2 Select "**2020-2021**", enter child's name, enter grade and click "**NEXT**"
- 3 Select "**TRANSFER**" and click "**NEXT**"
- 4 Select school as "**TRANSFER REQUEST**" and click "**NEXT**"
- 5 Complete transfer request questions and click "**SUBMIT**"

TRANSFER REQUEST

Current SAISD Students

Students zoned to SAISD who want to attend a different neighborhood school may submit a transfer request.

- Non-crisis requests must be submitted during the transfer window and approved by the requested principal
- Transfer window opens **January 11 – May 27, 2020**
- Crisis requests may be submitted at any time and are reviewed and approved on a case-by-case basis by the Office of Access and Enrollment Services
- Transfer requests are submitted online through SchoolMint

New to SAISD Students

Students residing outside of SAISD boundaries may submit a transfer request to attend a neighborhood school. Transfer requests are pending space availability and principal approval.

- Transfer requests must be submitted within five business days of initial enrollment
- Requests are pending space availability and must be approved by the principal of the requested school
- Transfer requests are submitted online through SchoolMint

TEA Accountability Rating System

DISTRICT AND SCHOOLS

Ratings in this enrollment guide reflect the 2018-2019 Texas Education Agency (TEA) Accountability Rating System, the most current rating at the time of printing. In the 2018-19 school year, both districts and campuses received A-F ratings.

SAISD earned a B in 2019. Individual school ratings are indicated in the school descriptions of this enrollment guide.

The TEA looked at the following areas in determining a school or district's accountability rating:

SAISD earned a "B" in 2019

Student Achievement

- STAAR Performance at Approaches, Meets and Masters Grade Level
- Graduation Rate (District and HS Only)
- College, Career and Military Readiness Rate (District and HS Only)

Student Progress

- Individual student growth in Reading and Math
- Student Achievement scores measured against Economic Disadvantaged Percentage

Closing Performance Gaps

- Achievement in Reading and Math
- Student Growth in Reading and Math (ES/MS) or Federal Graduation Rate (HS)
- English Language Proficiency (current ELL students only)
- Student Achievement Performance by Group (ES/MS) or College, Career and Military Readiness Rate by Group (HS)

DISTINCTION DESIGNATIONS

Schools that received A-D ratings for 2019 were eligible for special honors called Distinctions. There were seven possible distinctions:

- Academic Achievement in English Language Arts (ELA)/ Reading
- Academic Achievement in Mathematics
- Academic Achievement in Science
- Academic Achievement in Social Studies
- Top 25 Percent: Student Progress
- Top 25 Percent: Closing Performance Gaps
- Postsecondary Readiness

For 2019, 42 SAISD schools earned 1 or more Distinctions

For 2019, 42 SAISD schools earned one or more Distinctions. Distinctions earned by SAISD schools in 2019 are indicated in the school descriptions of the enrollment guide.

STUDENTS

The State of Texas Assessments of Academic Readiness (STAAR) program includes annual assessments for:

- Reading and Mathematics, Grades 3–8
- Writing at Grades 4 and 7
- Science at Grades 5 and 8
- Social Studies at Grade 8
- End-of-course (EOC) assessments for English I, English II, Algebra I, Biology and U.S. History

TEA publishes STAAR report cards for all students every year to highlight proficiency, growth and improvement. There are four possible performance levels that represent how well students have learned grade-level content.

- **Masters Grade Level:** Mastery of the course knowledge and skills is shown – student is on-track for college and career readiness.
- **Meets Grade Level:** Strong knowledge of course content – student is prepared to progress to next grade.
- **Approaches Grade Level:** Some knowledge of course content, but may be missing critical elements – student needs additional support in the coming year.
- **Did Not Meet Grade Level:** No basic understanding of course expectations is shown – student may need significant support in the coming year.

Parents may learn more by visiting TexasAssessment.com

Making A Difference With Every Meal!

The mission of the **SAISD Child Nutrition Services Department** is to enhance the learning and health of children by nourishing their bodies and minds through the availability of healthy, nutritious and appetizing meals. All meals offered to students in San Antonio ISD are free of charge, so encourage your students to come eat every day!

DID YOU KNOW?

SAISD offers breakfast, lunch, after-school snack, after-school supper and summer meals. Meals are served at 95 District sites. Approximately 90,000 student meals are served daily – that’s 16 million meals per year!

The Child Nutrition Department has a chef and registered dietitians and nutritionists on staff who develop the menus and recipes.

San Antonio ISD Child Nutrition also partners with the Culinary Institute of America for recipe development and training of our kitchen staff to help produce high-quality meals.

SHARING TABLES & FOOD PANTRIES

are available at campuses to help alleviate food waste and combat food insecurity. For more information, please visit: www.saisd.net/nutrition

MENUS

Menu information including allergens, nutritional information and items served can be found by downloading the **Nutrislice** app on your mobile device. Students and parents can also provide feedback on menu items using Nutrislice.

FOR MORE INFORMATION

on all that the Child Nutrition Services Department has to offer, please visit our department webpage: www.saisd.net/nutrition

Nutrition Facts

- ✓ Students can select from a variety of entrée items daily as well as an abundance of fruit and vegetables.
- ✓ We have several locally made San Antonio items on our menus including our taco and chalupa shells, biscuits, dinner rolls, gravies and even our milk!
- ✓ We also make sure that we purchase items that are grown or made right here in our great state of Texas, including all of our fresh breads, tortillas, juice, and our empanadas, among many other great things.
- ✓ We utilize the USDA produce program that partners with the Department of Defense (DoD) that helps bring us the freshest fruits and vegetables.
- ✓ We also partner with USDA to bring in foods we might not otherwise see in schools, including berry & peach cups, butternut squash, diced sweet potatoes and many others, all of which appear on the menus.
- ✓ Fun Fact! The items you see at your schools may look like the items that are at your grocery store, but they are specially made to be whole grain, low fat, low sugar and in more appropriate portions.
- ✓ We strive to offer a variety of types of foods that range from Italian to Asian and everything in between to allow our students to expand their palates.

School Bus Safety Stop Arm Camera Program

SAN ANTONIO INDEPENDENT SCHOOL DISTRICT

HOW THE SYSTEM WORKS

1 Violation Detection and License Plate Cameras

2 Stop Arm Violation Overview Camera

Step 1: When the school bus stop arm is deployed, the camera automatically detects a vehicle passing the bus in either direction.

Step 2: A video of the violation is recorded and still images of the vehicle's license plate are captured.

Step 3: The violation video and license plate images are then reviewed by SAISD law enforcement officials for approval prior to a citation being issued.

Step 4: If SAISD law enforcement approves the violation, a violation notice is issued and mailed to the vehicle owner.

SAISD has contracted with American Traffic Solutions (ATS) to install its Stop Arm Safety Camera System on SAISD route buses.

FAQs

Why has SAISD implemented a school bus safety camera program?

Today, parents have enough reasons to worry about their children's safety – sending them to school should not be one of them. It is illegal and also dangerous for a vehicle to pass a stopped school bus. The goal of the program is to improve safety for students who ride school buses. We are committed to reducing violations, collisions and injuries to keep our community safe.

What do I do if I receive a notice?

To pay online, go to www.ViolationInfo.com and logon with the information provided on the notice.

How much is the fine?

Violators will be assessed a **\$300** penalty. This is a civil penalty that does not affect a driving record nor is it reported to insurance companies.

When and where do I stop for a school bus?

When a school bus stops and alternating red flashing lights are active, drivers must stop. You should stop at least 20 feet from the front and 20 feet from the rear of the school vehicle.

What is the flashing light system?

Amber Flashing Lights: Located on the top of the school vehicle. Their purpose is to warn other motorists of the school vehicle preparing to stop. **Red Flashing Lights:** Also located on the top of the school

vehicle. The red flashing lights inform other vehicles to stop.

Why is this type of enforcement needed?

Violations are automatically detected, allowing the bus driver to focus on driving. Photo-enforcement systems allow for continuous law enforcement while police officials focus on other high-priority needs.

See more at www.saisd.net/bussafety

KNOW THE LAW

Two-lane roadway

When a school bus stops for passengers, **ALL** traffic from all directions must stop and remain stopped until the signal is retracted and red lights are turned off.

Four-lane to six-lane roadway without a median separation

When school bus stops for passengers, **ALL** traffic from both directions must stop.

Divided highway of four lanes or more with a median separation

When school bus stops for passengers, only traffic following the bus must stop.

A roadway with two-lanes, four-lanes or more with a center turning lane

When school bus stops for passengers, **ALL** traffic from both directions must stop.

GLOSSARY OF TERMS

Academies - Schools with non-traditional grade configurations, such as PK-8, K-8, 6-12, PK-12 and more.

AVID - College-readiness system known as Advancement Via Individual Determination that accelerates student learning using research-based methods. Students gain organizational and note-taking skills to promote student achievement.

CAST Schools - The Centers for Applied Science & Technology (CAST) is a San Antonio-based network of career-themed high schools focused on experiential learning and industry mentorship.

Choice Programs or Schools - Schools or programs including in-district charters and magnet programs, which provide the opportunity for students to tap more deeply into their specific interests and aspirations. These schools are open to students across Bexar County and require an application.

Distinction Designations - Distinction designations are awarded annually to campuses by the Texas Education Agency based on achievement relative to a group of campuses of similar type, size, and student demographics. Awards may be given in the areas of Academic Achievement in English Language Arts/Reading, Mathematics, Science, or Social Studies, Top 25 Percent: Student Progress, Top 25 Percent: Closing Performance Gaps and Postsecondary Readiness.

Dual Language - An effective approach to develop language proficiency and literacy in English and Spanish. The program integrates native English speakers and native Spanish speakers for academic content instruction in both languages.

Early Childhood Education Centers - Full-day learning laboratories for 3- and 4-year-old children, which provide the Head Start program and/or the District's pre-kindergarten program.

Early College High Schools - Enables students to earn up to 60 hours of college credit, tuition free, with the opportunity to earn a high school diploma and an associate degree at the same time.

International Baccalaureate - IB programmes are recognized worldwide for their rigorous academic and personal standards and their focus on preparing students to be active, lifelong learners. SAISD has five IB World Schools and four IB-candidate schools.

Neighborhood Schools - A traditional school with well-rounded academic offerings, fine arts and athletic programs, as well as family and community engagement. Serves an attendance boundary.

P-TECH - Pathways in Technology Early College High School (P-TECH) is a new educational model approved by the Texas Legislature in 2017 that provides students the opportunity to earn a high school diploma, an industry-specific associate degree, certifications and work-based training around high-demand career fields. Acronym may vary based on industry focus. For instance, H-TECH stands for Healthcare Pathways in Technology Early College High School.

Special Education Acronyms:

ACE - Alternate Curriculum Environment

BCM - Behavior Coach Model

BSC - Behavior Support Classroom

ECSE - Early Childhood Special Education

GEC - General Education Connection

PBIS - Positive Behavioral Interventions and Support

RDSPD - Regional Day School Program for the Deaf

EXPLANATION OF ICONS

Breakfast

Students receive breakfast at no cost.

Dual Language

Program that focuses on dual language immersion. Some programs require an application.

Lunch

Students receive lunch at no cost.

Head Start

Federally funded program providing a full day of early childhood education to promote school readiness for qualifying 3 and 4 year olds. The program in SAISD is in partnership with the City of San Antonio's Department of Human Services.

Supper

Supper is available to students at no cost at participating sites.

Graduation Plans

Preparing for your college and career success after high school
All plans require a solid foundation

DISTINGUISHED LEVEL OF ACHIEVEMENT

Requires Algebra II, with an endorsement and the Foundation High School Program requirements (26 credits).

Students must graduate at the Distinguished Level of Achievement to be **eligible** for automatic admission to state colleges and universities through the Top 10 Percent rule.

FOUNDATION + ENDORSEMENT PLAN

STEM	Business & Industry	Public Services	Arts & Humanities	Multi-disciplinary
+ 1 advanced math + 1 advanced science + 2 additional elective credits				
26 CREDITS	26 CREDITS	26 CREDITS	26 CREDITS	26 CREDITS
Requires Algebra II				

FOUNDATION HIGH SCHOOL PROGRAM

Core requirements (22 Credits): 4 credits in English, 3 credits in math, 3 credits in science, 3 credits in social studies, 2 credits in foreign language, 1 credit in fine arts, 1 credit in PE, 5 elective credits

CHOOSE ONE OR MORE ENDORSEMENTS

STEM (Science, Technology, Engineering and Mathematics) - This path includes courses directly related to science (including environmental science), technology (including computer science), engineering and advanced mathematics, or a coherent sequence of 4 career and technical courses.

Business and Industry - This path includes courses directly related to database management, information technology, communications, accounting, finance, marketing, graphic design, architecture, construction, welding, logistics, automotive technology, agricultural science and heating, ventilation and air conditioning.

Public Service - This path includes courses directly related to health sciences and occupations, education and training, law enforcement, culinary arts and hospitality.

Arts and Humanities - This path includes courses directly related to political science, world languages, cultural studies, English literature, history and fine arts.

Multidisciplinary - This path includes courses from the curriculum of each endorsement area and credits in a variety of advanced courses from multiple content areas sufficient to complete the distinguished level of achievement under the foundation high school program.

San Antonio Independent School District does not discriminate on the basis of race, religion, color, national origin, sex, or disability in providing education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; section 504 of the Rehabilitation Act of 1973, as amended.

EXPERIENCE SAISD HIGH SCHOOLS

Transitioning to High School - Eighth graders have many options as they consider where they will attend high school. They may attend traditional high schools in their neighborhoods, where they will enjoy a full range of team and individual sports as well as fine arts offerings and other extracurriculars. Students also have the option of applying to Choice Programs within our traditional high schools or applying to Choice Schools. Choice offerings include early college, International Baccalaureate World Schools, and trade-oriented programs focused on careers in health services, technology and more.

Louis W. Fox Tech High School

637 N. Main Ave., San Antonio, TX 78205 • (210) 738-9730 • www.saisd.net/foxtexhs

At Fox Tech, a stand-alone magnet school, we believe that all students can meet their full potential. We commit to fostering a campus-wide culture based on positive relationships for stakeholders and provide rigorous instruction through innovative teaching practices. Students who are interested in pursuing careers in health and law professions receive focused instruction, clinical rotations at partnering hospitals, mentorship opportunities with practitioners, hands-on experience, field observations, project-based learning and certifications in nursing and/or medical assistant. We also offer a multitude of AP, dual credit/dual enrollment courses via The University of Texas at San Antonio, San Antonio College, and UT Austin OnRamps to accelerate college readiness. Our school educates all students, providing ESL support, special education, gifted & talented, and 504 services to eligible students. New in 2020, Fox Tech will offer a Healthcare Pathways in Technology Early College High School (H-TECH) within our healthcare magnet, which will prepare students for high-demand careers in nursing and healthcare.

in partnership with:

Thomas Jefferson High School

723 Donaldson Ave., San Antonio, TX 78201 • (210) 438-6570 • www.saisd.net/jeffersonhs

Thomas Jefferson High School is one of the newest members of an ever growing global community of more than 5,000 schools offering the International Baccalaureate in 147 different countries. Jefferson has chosen to join this growing international community as IB has a positive impact on students, schools and their wider communities with learning going well beyond the classroom. The school's unique and innovative approach to learning means both students and teachers are genuinely engaged with the programs and benefit from being a part of an unparalleled global network. Students are able to participate in international conferences and educators work with their peers internationally. Additionally, an AVID school since 1997, Jefferson achieved the AVID National Demonstration status in 2012 and was re-validated in 2018. However, we do not value the "demonstration status" for the label; we truly see ourselves as a lab - a center for teaching and learning.

♦ **ACADEMIC OFFERINGS:** International Baccalaureate (IB) • Animation, Architecture Design, Audio & Video Production, Graphic Design & Illustration, Health Science, Horticulture Science, Law Enforcement • Advanced Placement (AP), AVID, Dual Credit, Gifted & Talented, Pre-AP, World Languages • Art, Band, Choir, Mariachi, Music, Orchestra, Theatre • Special Education: ACE, BCM, BSC, PBIS

St. Philip's Early College High School

1801 MLK Drive, San Antonio, TX 78203 • (210) 486-2406 • www.saisd.net/stphilipsechs

St. Philip's College Early College High School's nationally ranked program offers the student who is at-risk or under-represented in college, the chance to earn the Associate of Arts or Associate of Applied Science degrees for free. Students begin to take college classes during their freshmen year of high school and transition to full-time college students during their junior year of high school. As a support to our students, we provide a high school counselor, college bound advisor, and a college liaison. Being situated on a college campus offers our students a true "college-going experience" with computer labs, college bookstore, library, study centers, and a student center with billiard tables, gaming consoles, coffee shop, and a six-lane bowling alley.

♦ **ACADEMIC OFFERINGS:** Automotive Technician, Culinary Arts, IT - Computer/Network Technician, Nursing (CNA and LVN Certification) • Advanced Placement (AP), Gifted & Talented, Dual Credit, Pre-AP • Internships in Automotive, Cybersecurity, Culinary and Allied Health Fields • All of our fine arts offerings are through St. Philip's College. Students may participate in the college plays and choir.

♦ **EXTRACURRICULAR PROGRAMS:** Volleyball, basketball and cheerleading are offered through St. Philip's or students may return to their home SAISD campus • Students may join any club or organization at St. Philip's. In addition, we offer a variety of high school clubs based on interests of students and faculty. Clubs recently offered include yearbook, National Honor Society, student government, billiards, gaming, weight-lifting, and media. St. Philip's ECHS students may return to what would have been their SAISD high school to participate in sports or fine arts at the end of the day.

William B. Travis Early College High School

1915 N. Main Ave., San Antonio, TX 78212 • (210) 738-9830 | www.saisd.net/travisechs

Travis Early College High School has been nationally recognized as a silver medalist in “Best High School” rankings by U.S. News, listed as a “Beating the Odds” campus that “[does] an excellent job of preparing students for college” (Newsweek), and granted the 2017 National Blue Ribbon Award for academic excellence. We provide traditionally underserved students the opportunity to learn in an academically rigorous environment that provides the social and academic support to excel. At Travis, students may attain their high school diploma while earning an associate degree and/or up to 60 college hours at no cost to students’ families. Students receive valuable exposure to college life, create a seamless transition from high school to post-secondary education, and get a strong support network that includes tutors and college planning advisors.

EXPERIENCE SAISD MIDDLE SCHOOLS

Transitioning to Middle School Grades - Fifth graders have several options as they consider where they will experience their middle school years. For grades 6-8, SAISD has both traditional middle schools and PK/K-8 academies. Traditional middle schools offer students the broadest range of athletics, fine arts and extracurricular activities. Academies offer smaller communities and continuity of campus teachers and staff, as well as the Academy Sports League, fine arts programs and a variety of clubs.

John Greenleaf Whittier Middle School

2101 Edison Drive, San Antonio, TX 78201 • (210) 738-9755 | www.saisd.net/whittierms

At Whittier Middle School, we know the importance of building relationships with our students and providing classroom environments conducive to learning. We truly believe that all students can be successful. Our goal is to prepare our students for college and the workforce by teaching them responsibility, organizational skills, providing a rigorous curriculum, and by holding them accountable for their learning. New for the 2019-2020 school year, we have launched a Dual Language program that will allow students to work toward fluency in both English and Spanish. We challenge students in the classroom and give them the opportunity to build leadership and teamwork skills through a variety of extracurricular programs and activities. As an AVID national demonstration site, we use AVID strategies to help prepare students for college readiness.

The Advanced Learning Academy is a place that lifts the ceiling on learning for all members of the educational community, including students, teachers, families and community. We provide 21st-century learning opportunities within a caring and open environment. Our partnership with Trinity University's Department of Education allows for the facilitation of curriculum design between the faculty assigned to our school, our school leadership team and SAISD curriculum leaders. We foster a depth of thinking through problem-solving, creative design and real-world applications as students develop deep content knowledge and cutting-edge learning skills to prepare them for any and all futures that they can envision.

James Bonham Academy

925 S. St. Mary's St., San Antonio TX 78205 • (210) 228-3300 | www.saisd.net/bonhamacademy

Nestled in the heart of Southtown, Bonham Academy was founded in 1893. This unique school maintains a strong history of family and community involvement. Our small school is a safe environment for students to explore their interests. With a focus on our three pillars – language, fine arts, and science – our school is committed to ensuring all of our students have the opportunities they deserve. As a neighborhood school, we serve students primarily from King William and Lavaca. We have the opportunity to also serve students outside of our attendance zone. We look forward to the opportunity to serve your familias.

Democracy Prep at the Stewart Campus

1950 Rigsby Ave., San Antonio, TX 78210 • (210) 438-6875 | www.dpssc.democracyprep.org

At Democracy Prep Stewart, we believe that all students have unlimited potential. Our mission is to educate responsible citizen-scholars for success in a college of their choice and a life of active citizenship. At our Stewart Campus, we provide students with a rigorous, college-prep academic program along with co-curriculars that will help students become better learners. We also believe that being bilingual is important for all scholars. As a result, we are growing out a dual language immersion program, which begins in preschool. This program includes both scholars who speak English and Spanish at home so that all scholars can be bilingual when they complete 5th grade.

Frederick Douglass Academy

318 Martin Luther King Drive, San Antonio, TX 78203 • (210) 228-3315 | www.saisd.net/douglassacademy

At Douglass Academy, we believe in providing a strong academic curriculum and opportunities for students to visit colleges, engage in school gardening, and learn more about technological advances within their local and global community. We encourage students to engage in problem-solving and critical thinking. We understand part of our mission as educators is to build grit and relentlessness within our students, so we engage students in multiple opportunities to practice higher-order thinking skills. We encourage students, as well as teachers, to expand their learning beyond the classroom walls. We strive for all students to be college-ready not only in academics but also in confidence, so they believe and can confidently soar as leaders of the future! Our Theory of Action is Assess + Analyze + Monitor + Adjust + Coaching = Increased Student Achievement.

Muriel Vance Forbes Academy

2630 Sally Gay Drive, San Antonio, TX 78223 • (210) 438-6850 | www.saisd.net/forbesacademy

At Forbes Academy, our small campus size allows teachers and staff to provide the instructional and emotional support each of our students need to feel both successful and safe each and every day. Generations of families attended Forbes throughout the years and we are proud to see this trend continue. Our teachers and staff focus on planning and providing all students with instruction that contains multiple levels of rigor, and there are a number of opportunities for students to participate in extracurricular activities as well. We believe these extracurricular and elective offerings not only provide our students the chance to participate in a well-rounded school day, but also allow students to show their individual talents and successes outside of academics.

Martin Luther King Academy for Arts Integration

3501 M.L. King Drive, San Antonio, TX 78220 • (210) 978-7935 | www.saisd.net/mlkingacademy

At M.L.K. Academy for Arts Integration, we believe all students have the ability to be well-rounded individuals. Exploration, questioning, hands-on learning, and creativity are the core of academic mastery in all grade levels. We have a focus on arts integration throughout our curriculum to enhance student engagement and allow student expression and creativity. Arts integration provides multiple ways for students to make sense of what they learn (construct understanding) and make their learning visible (demonstrate understanding). In addition, we believe partnerships between community members and the school develop the social-emotional skills of the students while supporting their academic needs.

Mission Academy

9210 S. Presa St., San Antonio, TX 78223 • (210) 438-6880 | www.saisd.net/missionacademy

At Mission Academy, we believe in empowering all students who enter our doors with the knowledge and ability to establish successful lives and become productive leaders of society. We provide students with an equal opportunity to strive academically by offering rigorous academic exposure, small class sizes, technology-driven instruction, and continuous colleague collaboration and growth to enhance the overall classroom experience. We provide special education, Pre-AP, and gifted & talented services. Our extracurricular offerings develop camaraderie among students, strengthen relationships, instill leadership skills, and promote a “family”-oriented campus mentality by showing students how to care for one another.

Young Men's Leadership Academy at Phillis Wheatley

415 Gabriel St., San Antonio, TX 78202 • (210) 354-9652 | www.saisd.net/ymla

The Young Men's Leadership Academy is San Antonio's first all-boys public school offering a model of education that is backed by research indicating that boys and girls learn differently. YMLA helps boys achieve their highest potential by setting high expectations and emphasizing character, leadership and discipline. Each day begins with a firm handshake and continues with a positive message of encouragement in a daily assembly. YMLA was named a 2020 Best School in Texas by Niche.com. Our 21st-century school design fosters dialogue, promotes collaboration and encourages creativity. We build social-emotional awareness through reflective thinking practices and daily meditation sessions. We are preparing today's learners to become tomorrow's leaders.

Barkley-Ruiz Elementary School

1111 S. Navidad St., San Antonio, TX 78207 • (210) 978-7940 | www.saisd.net/barkleyruizes

At Barkley-Ruiz Elementary, we believe we must teach students in the way that they learn best. Our school's primary focus is to allow opportunities where our students take the starring role in their learning and understanding using the Constructivism model. Students engage in learning experiences and communicate their understanding by working collaboratively, problem-solving, reflecting, and sharing their understanding with others in their class. The teacher's role is to consider what the learners are able to do with help, and provide learners with the adequate materials and prompting they need to construct new knowledge and meanings. In addition, teachers facilitate peer interaction and cooperation between learners. Under the umbrella of Constructivism, our school will focus, but not be limited to, the components of: Thematic Units, Project-Based Learning, Socio-emotional Learning, and engaging experiences allowing for inquiry-based thinking. Our Master Teachers support students and staff.

Andrew Briscoe Elementary School

2015 S. Flores St., San Antonio, TX 78204 • (210) 228-3305 | www.saisd.net/briscoees

At Briscoe Elementary School, we believe it is necessary to provide students with the tools and opportunities to take ownership of their learning and be contributors to the community and the world. It is imperative to develop intellectual thinkers who are academically successful and internationally minded. We provide students with authentic learning experiences that challenge students to become thinkers, inquirers, and reflective. Briscoe offers the International Baccalaureate (IB) Primary Years Programme (PYP) and is an authorized IB World School. The curriculum serves to prepare students seeking an IB education from elementary through high school. Following Briscoe, students may continue an IB education at Harris Middle School and Burbank High School.

Bella Cameron Elementary School

3635 Belgium Lane, San Antonio, TX 78219 • (210) 978-7960 | www.saisd.net/camerones

At Cameron Elementary School, your child is encouraged to take risks, think deeply and actively participate in conversations about his/her education. With Master Teachers assigned at nearly every grade, our classrooms are powered by educators with the knowledge, skills and experience to challenge students to greater heights, particularly in the areas of literacy, science and math. Your child will learn through a mix of traditional classroom teaching and technology, for a 21st-century blended learning approach. Students have the freedom to choose a space within the classroom where they learn best with flexible seating, which means your child is more comfortable and able to focus on learning. And reading isn't limited to the classroom or the library - your child will be encouraged to read in one of our reading nooks throughout the campus to create a special experience that promotes a love of the written word.

♦ **ACADEMIC OFFERINGS:** Gifted & Talented, Social-Emotional Learning • Art, Music • Special Education: ACE, PBIS, ECSE • English as a Second Language

Esther Perez Carvajal Elementary School

225 Arizona Ave., San Antonio, TX 78207 • (210) 978-7970 | www.saisd.net/carvajales

At Carvajal Elementary School, we believe that a robust school sets a strong foundation for students' educational journeys. Teachers and staff are committed to instilling a love of learning in all subject areas. We are the first school in SAISD that is a Science, Technology, Engineering, Arts and Math (STEAM) Dual Language, Project-Based Learning, Professional Development campus. Our families are offered the opportunity to choose a dual-language classroom, where our English-speaking children are taught side-by-side with our Spanish-speaking children. Parents are a key component of our school success. We encourage all parents to volunteer and get involved by participating in our many events. Our community members are embraced and tasked to partner with us. Some of our partners include the City of San Antonio, City Year, Communities in Schools, Our Lady of the Lake University, The University of Texas at San Antonio, San Antonio College, Family Services Association, Mexican American Unity Council, the San Antonio Police Department and many others. Together with parents, teachers, staff and community members, students will thrive and have a joyful school experience.

Highland Hills Elementary School

734 Glamis Ave., San Antonio, TX 78223 • (210) 438-6860 | www.saisd.net/highlandhillses

At Highland Hills Elementary School, your child will hear the message: Never stop growing. We impress that upon them as we set the expectation that they will go to college. We emphasize kindness and make it a point to get to know your child as an individual, not only as a learner, because genuine relationships help create a strong learning community. If your child is ahead academically, or behind, our teachers have special training to adjust teaching to meet them where they are. We also make sure your child gets experience working in small groups with other students, strategizing and solving problems together, because they will need those types of collaborative skills at every future stage of their lives, especially in whatever career they choose!

Mary Frances Huppertz Elementary School

247 Bangor Drive, San Antonio, TX 78228 • (210) 438-6580 | www.saisd.net/huppertz

At Huppertz Elementary, we believe that every student can learn and achieve success at a high level. Our dedicated staff promotes this expectation by instilling high levels of critical thinking and application of learning to both future knowledge acquisition (transfer knowledge) and their lives outside the classroom (application to real-world scenarios). In addition, we are a candidate for the International Baccalaureate (IB) Primary Years Programme (PYP) and align our teaching with Advancement Via Individual Determination (AVID) strategies. These offerings aim to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. We aim to close the opportunity gap so that we can prepare all students for college, careers, and life. At Huppertz Elementary, we stand for excellence, honor, and pride.

Samuel A. Maverick Elementary School

107 Raleigh Place, San Antonio, TX 78201 • (210) 438-6550 | www.saisd.net/maverickes

At Maverick Elementary School, we foster a community of learning that is student-centered. Through collaboration with stakeholders, we cultivate our students holistically to become productive members of the community. We offer one-to-one technology on our campus and provide students with a variety of extracurricular options that allow them to explore the activities that best fit their interests. These programs align with our academic goals and help develop well-rounded students. We value and teach problem solving, critical thinking, reflection, exploration, inquiry, growth mindset, tech literacy, and perseverance. Our school educates all students, providing bilingual education/dual language, special education, and gifted & talented services to eligible students. Follow us on Twitter at @MaverickSAISD

John J. Pershing Elementary School

600 Sandmeyer St., San Antonio, TX 78208 • (210) 738-9820 | www.saisd.net/pershingees

At Pershing Elementary, we work collaboratively as a team, involving faculty, staff, parents and the community to reach our goals. The success of our school is a product of collaboration, high expectations, and ownership. The Pershing team shares in our beliefs and core values: respect, commitment, high expectations, passion, teamwork, integrity and student-centered. Our school provides support for all students including English learners, gifted & talented and students receiving special education services. At Pershing, we truly believe that it takes a village to raise a child and it takes a collective effort of faculty, staff, students, families and the community to support the growth in achievement we want to see in our students.

Estrada Achievement Center

1112 S. Zarzamora St., San Antonio, TX 78207 • (210) 438-6820 | www.saisd.net/estradaac

At Estrada Achievement Center, a school that provides a disciplinary alternative education program (DAEP), we believe in restorative discipline as a means of teaching lifelong learning skills to students. Estrada’s mission is to instill in students a positive attitude toward school that exemplifies honor, dignity and respect for self and others. Our service-learning class and counseling sessions provide students the opportunity to practice positive social/behavioral skills to ensure success in the classroom and their daily lives. These programs help students explore expanded career opportunities, develop self-esteem and teach social skills in an environment of healthy competition. The motto of the Estrada Program is “Be the Shepherd.” Estrada students are expected to serve as role models, mentors and leaders for others.

Healy-Murphy Center

618 Live Oak St., San Antonio, TX 78202 • High School and GED: (210) 223-2944
Child Development Center: (210) 224-9569 • www.healymurphy.org/

Healy-Murphy Center is a private, non-profit alternative high school, which serves as a satellite campus for SAISD. Teens who have had difficulty succeeding in a traditional school environment can find the one-on-one attention, individualized curriculum, counseling, childcare and health services they need to succeed in school and in life. Healy-Murphy Center offers high school diploma and high school equivalency programs, as well as pre-kindergarten for 3- and 4-year-olds. The mission of Healy-Murphy Center is to provide compassionate service to youth-in-crisis by focusing on individualized education in a non-traditional setting, early childhood development and essential support services.

◆ **ACADEMIC OFFERINGS:** Pre-AP, Advanced Placement (AP), Dual Credit, Gifted & Talented

Texans Can Academy at Highlands High School

3118 Elgin Ave., San Antonio, TX 78210 • (210) 426-6808
www.texanscan.org/schools-and-programs/highlands/

Located on the Highlands High School campus, this specialized school is for students who are behind their cohorts one or more years and are interested in going into a program with more extensive support to get back on track to graduate. Students continue to stay at a comprehensive high school campus, but get the benefit of being part of this focused program. Students select a modified daily schedule that meets his or her personal needs to accommodate family care, work schedules, medical care and/or high school extracurricular activities. Students also benefit from smaller class sizes, wrap-around advisory and counseling services, and access to the electives and extracurriculars at Highlands High School. The learning methods and nurturing environment empowers students to be lifelong thinkers, ensuring their path to economic independence.

◆ **ACADEMIC OFFERINGS:** Half-day program • Career and Technical offerings • Special Education: ACE, BSC, PBIS • Pre-AP, Advanced Placement (AP), Dual Credit, Gifted & Talented

◆ **EXTRACURRICULAR ACTIVITIES:** Any extracurricular activities offered through Highlands High School (see page 25)
