

Construction Science P-TECH Industry Certifications

The Construction Science P-TECH currently is enrolling our first cohort of students and plan on opening Fall 2021, therefore, we do not have data to report at this time. This document will be updated with industry certifications earned starting with our first cohort.

Certification options we will offer to our students:

- NCCER
- OSHA 30
- AutoCAD
- Revit
- Microsoft Word

| Certification Name | Number of Students Completed | Year Completed |
|--------------------|------------------------------|----------------|
