A family celebration that means a lot to me is Christmas. I really like Christmas because of the food, family and giving and getting. I really like Christmas food because my mom makes really good tamales, pozole, menudo and arroz con leche and hot chocolate. On Christmas I see my whole family which is pretty cool because sometimes you don't see them all year, so Christmas is what gets the whole family together. Plus the most important thing about Christmas is gifting and getting. It's really nice when you give someone something they needed and when someone gives you something you needed. That's the reason Christmas is my favorite ~~Christmas~~ family celebration. Christmas has a feeling I don't know how to explain it but when you know Christmas is near everyone is happy and excited. When everyone realizes that it's almost that time of the year. That time when its cold days are shorter and nights are longer. 7.
