

Construction Science P-TECH Counseling and Advisory Schedule

The Construction Science P-TECH currently is enrolling our first cohort of students and plan on opening Fall 2021, therefore, we do not have exact scheduling at this time. This document will be updated starting with our first cohort.

The following is a guide for minimum interactions with the P-TECH students. All dates are subject to change in relation to school calendars, institution of higher education due dates, and additional circumstances that may arise.
