Technology and Study Skills	College Readiness Soft Skills Social-Emotional Workshop

Summer Bridge is a P-TECH requirement. It allows students the opportunity to enjoy challenging days filled with various high school and college-based activities. Students will become familiar with the college campus, learn about the resources available to them through San Antonio College as well as prepare for, and take, the TSIA 2.0 exam (which will allow students to take dual credit courses their freshman year).

We want to see every P-TECH student attend Summer Bridge. Rise to the Challenge!

12:30-2:00 PM	Team Building	Human Knot Rules: Have everyone stand in a circle facing each other, shoulder to shoulder. Instruct everyone to put their right hand out and grab a random hand of someone across from them. Then, tell them to put their left hand out and grab another random hand from a different person across the circle. Within a set time limit, the group needs to untangle the knot of arms without releasing their hands. If the group is too large, make multiple smaller circles and have the separate groups compete. Objective: This game for team building relies heavily on good communication and teamwork. It also results in a lot of great stories for the water cooler chat in the workplace.	Anthony Gallardo
