

Graphic Design/ Galan Graphix

What did you learn?

Art class made her change her opinion in what she wanted for a career.

When you work for yourself, it has its privileges.

I learned you must be disciplined to be your own boss.

You have to love your job to be successful.

How did the guest speaker impact your plans?

It impacts me by inspiring me to push harder in school.

The earlier I start to focus on a business career, the better it is for me.

She came a long way and I feel I can do the same.

It impacts my career plans by knowing that being organized is a major thing in owning a business.
