

## Edison P-TECH School of Business Summer Bridge Program

Dear Parents and Guardians:

Thank you all for your patience as we prepare for summer bridge. We would like to take this opportunity to warmly welcome you and your child to the Edison P-TECH School of Business family!

One of the first opportunities we provide for P-TECH students is a program called Summer Bridge. The goal of the program is to transition and orient incoming students to our school and staff as well as provide them with a strong foundation for the upcoming year of classes. We strongly encourage all incoming freshmen to take advantage of this exciting orientation opportunity. Students will become familiar with the college campus, learn about the resources available to them through San Antonio College as well as prepare for, and take, the TSIA 2.0 exam (which will allow students to take dual credit courses their freshman year).

12:30-2:00 PM	Team Building	Human Knot Rules: Have everyone stand in a circle facing each other, shoulder to shoulder. Instruct everyone to put their right hand out and grab a random hand of someone across from them. Then, tell them to put their left hand out and grab another random hand from a different person across the circle. Within a set time limit, the group needs to untangle the knot of arms without releasing their hands. If the group is too large, make multiple smaller circles and have the separate groups compete. Objective: This game for team building relies heavily on good communication and teamwork. It also results in a lot of great stories for the water cooler chat in the workplace.	Anthony Gallardo

1:30-2:30 PM	Team Building	<p>Blind Drawing</p> <p>This is one of the team building games that is great for building communication skills. Divide up teams of two and have the players sit back to back. One team member will be given a picture of an object or word. Without saying what it is, the person must describe the image, without using words that will directly describe the subject.</p> <p>For example, if the image given was a lion on a unicycle, the person may describe a large, furry creature with big hair above a small wheel.</p>	Anthony Gallardo
