Externships Overview

Experience

There is a lack of work-based learning opportunities that align with both pathways, resulting in 88% more jobs than qualified candidates for high-paying, in-demand careers. When students discover better and engage in work-based learning opportunities they are better prepared for the 21st century digital workforce path. There is a barrier to qualified candidates and improve their barrier break.

WORK BASED LEARNING EXTERNSHIPS

83 hours of work-based learning with industry

Learn instruction, industry programming, and work-based learning strategies

Prevent attrition by increasing awareness and understanding of the opportunity

Ability to earn digital badges and professional certificates

Highlights from our acclaimed Cybersecurity Externship

- 97% have a better understanding of how to reach their career goals
- 88% will pursue a cybersecurity career in the future
- 95% helped their network with employers

Featuring Workshops With Top Employers

2021 SUMMER INTERNSHIPS

Earn while you learn with a summer internship.

At SA Works, we connect talent, education, and industry to grow a skilled workforce. Our programs activate real solutions to grow, support and prepare our workforce to succeed in real San Antonio jobs now and in the future.

GET CAREER - READY

Through internships, you'll get real-world job experience and grow the skills you'll need to pursue your career path, while making new connections and earning money.

Sign-up for an opportunity to work with San Antonio's diverse employer network. Internships will be held in-person, virtually or a combination of both.

ADDITIONAL INFO

Age requirement: High school students and graduating seniors, 16 - 20 years old by June 1, 2021
Salary: Average of \$9.50/hour
Time frame: June 14- August 6
Sign-Up: Internship registration is open to students at the end of April through Greenlight. Please have your resume ready. Visit the SAEDF website for more details.
