

ABOUT US

Cybersecurity is a vastly growing industry that is in high demand. Cyber P-TECH (Pathways in Technology Early College) USA at Sam Houston High School offers a career pathway in cybersecurity in which students can develop the skills and qualifications necessary to succeed in the cyber industry. Within 4-6 years, Cyber P-TECH students will have the opportunity to earn a high school diploma, industry certifications, as well as an associates degree in applied science from St. Philip's College. All 100% free! Students will also gain work-based training through job shadow experiences, internships, and apprenticeships. Cyber P-TECH USA at Sam Houston HS offers a school within a school model. Therefore students are able to enjoy the benefits of college as well as a traditional high school experience.

OUR GOAL

To develop students that are equipped with the academic, technical, and professional skills needed for success in the workplace!

Breakdown by 4 PM

Event Dates to Remember

Jan. 14 – Jan. 29, 2019

Representatives from every high school option will visit with current 8th grade students at various campuses across the district. (See schedule above)

Jan. 31, 2019

Deadline to submit an application to be considered for the lottery for Choice Schools & Magnet Programs.

Important Notes

Middle school groups

Traditional middle schools have been broken up into two sessions by 8th grade girls and 8th grade boys.

Academy groups

Academies have been grouped together and assigned a host site where the mini-fair will take place. Students will be bused to the host site free of cost to the campus.
