### **Cyber P-TECH USA TSI Testing Guidelines 2023-2024**

- TSI tests are split into the ELAR and Math sections; students can only test on one section per day starting in the morning (EX: ELAR on Monday at 9am, Math on Tuesday at 9am).
- If a student does not score as College Ready on one or both sections of the test, they must have documented intervention for 30 days prior to taking the section(s) test again. The Math and English departments are tasked with providing intervention. The site used for intervention resources is called [Accuplacer Learning Resources](#).
