

## Student Interventions

<b>Individualized Learning Plans (ILPs)</b>	Develop personalized learning plans for each student, addressing their unique strengths and areas for improvement.
<b>Tutoring Services</b>	Implement a peer tutoring program or offer professional tutoring services to support students who may need extra help in specific subjects.
<b>Mentorship Programs</b>	Establish mentorship programs where students can connect with industry professionals or older students for guidance and advice.
<b>Study Skills Workshops</b>	Conduct workshops to enhance students' study skills, time management, and organization, promoting effective learning habits.
<b>Social-Emotional Learning (SEL) Programs</b>	Integrate SEL programs to support students' emotional well-being, fostering a positive school environment.
<b>Enrichment Programs</b>	Offer extracurricular activities, clubs, or projects that cater to diverse interests, encouraging students to explore their passions beyond the standard curriculum.
<b>Technology Integration</b>	Leverage educational technology to personalize learning experiences and engage students through interactive platforms and resources.
<b>Parental Involvement Initiatives</b>	Foster a strong connection between parents and the school through regular communication, parent-teacher conferences, and involvement in school activities.
<b>College and Career Readiness Workshops</b>	Conduct workshops focused on college preparation, application processes, and essential career readiness skills.
<b>Specialized Support for At-Risk Students</b>	Identify and provide additional support for students at risk of falling behind academically, ensuring they receive the assistance needed to succeed.
<b>Learning Resource Center</b>	Establish a dedicated learning resource center with access to books, online resources, and academic support materials.
