

Poe Middle School Needs Assessment

For students and teachers

Instructions:

A needs assessment helps us develop the right school counseling program that helps meet the needs of our school community.

You will answer the questions on the survey **INDEPENDENTLY**. Do **NOT** copy your friend's responses. This is an independent activity.

If you have an iphone you can use the QR Code provided by your teacher to complete the survey.

Or you can log on to the school website to take the survey if you don't have an iphone.

Using the QR Code/ School Website/Link

With your iphone take a picture of the QR code provided by your teacher and complete the survey questions. When you are done sit quietly. Do not talk to your neighbors. This is to be completed privately.

Or log onto your technology (computer or tablet), go to the Poe MS webpage, click on STUDENTS at the top and scroll down to Student Needs Assessment. Answer the survey questions independently. When you are done sit quietly and do not talk to your neighbors.
