San Antonio Independent School District

Admissions Policy 2023-2024

At SAISD, we believe that all children should have access to a variety of school options regardless of their academic abilities or where they live. We know that all children are unique individuals. They engage with learning in different ways, they aspire to different careers, and they are interested in different subjects.

Choice Schools and Magnet Programs offer specialized academic programming designed to best fit the individual interests of students. An application is required to gain admission to these schools. Admission is based on a lottery system and is open to all students living in Bexar county and surrounding areas.*

Families are placed in appropriate categories, then the online platform conducts the lottery according to programmed lottery parameters. The Office of Access and Enrollment Services (OAES) determines lottery guidelines for each campus.

H-TECH at Fox Technical High School is designed to serve students in the 9th thru 12th grades. Students are required to enter H-TECH in the 9th grades. The profile of a thriving student at H-TECH is as follows:

1. Determined to attend college.
2. Able to advocate for themselves and others.
3. Able to be an inclusive leader and a collaborator when needed.
4. Solution-minded and an effective communicator.
5. Always learning and intellectually curious.

H-TECH at Fox Technical High School will accept 80-100 incoming ninth-grade students per year.

*The lottery is a blind, randomized, computerized process conducted at the district level. The district utilizes a "Controlled Choice" framework to ensure equity and access for historically disadvantaged students.

HOW TO APPLY FOR A CHOICE SCHOOL

Attached is a step-by-step guide showing you exactly how to apply for a Choice School.

Section A: Logging into or creating a family Schoolmint account.

Section B: Completing a Choice School application in your account.

Please contact the Office of Access and Enrollment Services if you have any questions.

A. Log in your existing SchoolMint account (or have a new account created for you)

To submit a Choice School/Magnet Program application for the next school year, your family needs to have an active account in SchoolMint, SAISD's application and enrollment database.

If you have an existing SchoolMint account?

1. Go to the SchoolMint login page here, or click "Apply" from the SAISD Choice website. Google Chrome works best for this.

2. Log in your account using your username (your phone number or email address)

3. You will automatically be taken to the "Home" section of your account (look for words "Student Dashboard"). Then skip to part B below.

If you do not have an existing SchoolMint account:
1. Please contact your child's school or the Office of Access and Enrollment Services at (210) 554-2660 to have an account created for you.

2. You will be asked to provide your phone number or email address as a username.

3. If you have multiple children, they will each have a profile in this one family account.

4. Once the account setup process is complete, follow the steps above for an existing account.
