Sam Houston HS

First Round of TSI Testing and C3 Action Plan

SAISD TSI Test Window September 9th-12th

Focus Group is Seniors: students and teachers will need to be aware/advised of TSI prep and test dates in advance.

- Top 24 seniors
 - 11 passed Reading will be exempted from TSI reading and writing of their ELAR score. And will not need to be tested
 - 24 will need to do the math portion.
 - PLAN:
 - 9-9 (Monday) is to have Good Sam and Mrs. PinDell work together to “Prep” the students that need to on Sept 9 in the morning for ELAR and test in the afternoon.
 - 9-10 (Tuesday) Top 24 students will do “Prep” in the morning for Math and test in the afternoon.
- All remaining Seniors will do TSI testing on the 11th and 12th according to recommended [TSI Calendar testing dates](#).
- Senior Parent Meeting to discuss:
 - CBA has a powerpoint presentation with vast information
 - C3 Coach will discuss TSI scores/TSI outcomes and TSI expectations
 - Counselors will also be available to discuss foundations and credit requirements and EOC/ Ranks/Honors grads
 - Senior Class Sponsor
 - Other campus key people will be invited

Next Focus Group:

SAISD testing suggested calendar dates for TSI testing for Juniors is October 15- 18th 2024

ALL JUNIORS: This first round of TSI Testing will serve as a benchmark for the Juniors and create a game plan of interventions for this group to be successful at TSI and prepare for another round of TSI testing dates on [January 21-31st 2025](#).

Update:

August 16, 2024

Met with Dr. Bibbs and her recommendation is that we test all the seniors at once and that we pull our senior educators to test the students.

September 18, 2024

TSI Intervention Action Plan

In attendance:

[CCMR Target Buckets for Class of 2025](#)

Meet Texas Success Initiative Criteria in Reading & Math

Meet Criteria on

TSIA: Math: ≥ 950 Reading: ≥ 945 & Essay ≥ 5

SAT: Math: ≥ 530 Reading: ≥ 480 Comp: 1010 (College Board) Comp: 1180 (TAPR)

ACT: Math: ≥ 19 /Comp: 23 English: ≥ 19 /Comp: 23

College Prep Course (s): Student must earn grade > 75 ; may use TSI waiver to attend UTSA or Alamo Colleges & take credit bearing first year courses

Student is within **11 points** of TSIA cut score:

1. Enroll student in TSIA tutoring or ensure placement in core course where TSIA content standards are addressed (English IV, Algebra II/Senior Math); or Student completes TSIA tutoring sessions (SureScore, campus-based, Edgenuity, Texas College Bridge Alamo Colleges);
2. **Monitor & retest.**

Student is within **12 – 30 points** of TSI cut score, and has passed Alg I EOC &/or Eng I & II** EOCs:

1. Place in appropriate College Prep Course (ELA 1707/CP110100 and/or Math 1708/CP111200; note: these courses may count for 4th year ELA and/or 4th year math & use Texas College Bridge (TCB) as the core

- Students have to complete 8 hours of intervention before they can test:

Math Intervention:

- Math Intervention Plan: Moore will support Math
 - Suleiman & Rodriguez Senior Classes
 - West will support the passers
 - Looking at Edgenuity for record keeping and intervention log
- English Hoover : PlnDell will support English

- Dr. Stevens suggested that we use the STAAR EOC intervention about pulling out of their elective classes.
- Also suggested we add a government class added for the additional time frame.
- Plan is to complete the 5 sessions through Government and 5 sessions through senior classes.
