FOR PARENTS

Free, world-class test practice from Khan Academy and the creator of the SAT.

Information and Tips for Parents:

1 ENCOURAGE YOUR CHILD TO SIGN UP AND LINK THEIR COLLEGE BOARD AND KHAN ACADEMY® ACCOUNTS.

When they link their accounts, they'll get personalized practice recommendations based on their test results from the SAT®, PSAT/NMSQT®, and other College Board tests.

2 HELP YOUR CHILD BUILD A PERSONALIZED PRACTICE PLAN AT SATPRACTICE.ORG.

Once your child has signed up and linked their accounts, watch the overview video in the "Tips & Planning" section to learn about Official SAT Practice. Then, let the website build their personalized study plan based on where they excel and where they need more work. Next, under the "Practice" tab, have them practice their personalized recommendations under both Math and Reading and Writing.

3 ENCOURAGE YOUR CHILD TO TAKE A FULL-LENGTH SAT PRACTICE TEST.

We recommend that students take at least two full-length practice tests. You should make sure that your child takes one practice test before beginning their practice plan, and then a second test five weeks later to measure their progress. You can download and print practice tests at sat.org/scoring.

4 DOWNLOAD THE DAILY PRACTICE FOR THE NEW SAT APP.

Available for download through the Google Play and iTunes app stores, the app provides a question a day that your child can use to build their skills. It also scans and scores paper SAT practice tests, providing an easy way to track progress.
