APPLICATIONS FOR FALL 2023 OPEN

About the Golden Door Scholarship

Golden Door Scholars is an organization that provides large college scholarships, career and fellowship support, mentorship, and community-building opportunities for undocumented students. The Golden Door Scholarship is open for students attending college in the Fall 2023 semester.

^ FALL 2023 SCHOLARSHIP OVERVIEW

All scholarship awards will begin as of Fall 2023. Strong preference will be given to applicants who have high financial need and are interested in pursuing one of the following career paths: software engineering, nursing, data analytics, business analytics, and digital marketing. Popular majors that align with these career paths include business, math, statistics, computer science, data science, nursing, etc.

Scholarship recipients will receive funding for a four-year degree at Golden Door partner schools and access to mentors, fellowship, and career support beginning Fall semester, 2023. Students who have applied to or are interested in other colleges should also apply. We will support students at non-partner schools on a case-by-case basis.

Note that Golden Door will match scholarship recipients to partner and other colleges based on student preference and school admission slot availability.

After phone screens are completed, select candidates will move to the final round of interviews, where candidates will complete a series of interviews via Zoom, where interviewers will have a chance to really get to know you.
