Dear SAISD Families:

SAISD schools will continue distancing learning, following the 2019-20 instructional calendar, which ends Wednesday, May 27. This is in accordance with Gov. Greg Abbott’s announcement today that all Texas school buildings will remain closed for in-person student instruction this school year.

Be assured that we will continue to connect with your student in online learning, providing the academic support needed to continue their studies. We will be posting more information next week about graduations and resources for seniors, including summer programs for those who need them.

We also want to alert you to two new opportunities to access free Wi-Fi.

VIA Metropolitan Transit is providing mobile, high-speed Wi-Fi service to students at various locations in the city. Equipped VIAtrans vans will provide network service to cars parked within a range of 100 to 200 feet. This is part of their VIA Cares program and is a collaborative effort between VIA, the city, the San Antonio Housing Authority, Northside ISD and us. A fixed daily schedule with locations is available online at www.VIAinfo.net/cares.

Additionally, beginning Monday, April 20, the AT&T Center is turning Lot 3 into a Park and Learn to provide another connectivity option to students. Free Wi-Fi will be provided from 8 a.m. to 7:30 p.m. every day until further notice, courtesy of Spurs Give, AT&T and Aruba Networks. The lot will have cones in every other parking space to ensure social distancing, and students may search for the “spursgive” network to connect.

As always, we will continue to provide healthy meals, counseling support, and to connect you with vital community resources.

Please stay safe and healthy.

Sincerely,
Pedro
