

Senior FAQ's

Can I bring a date to senior night? Yes. Your date must be 20 or younger. If they are in high school, they must complete the Non-Burbank Student Permission Form and submit it by April 21, 2021. If they have graduated or are your parent, they must submit a background check.

What if I don't have transportation? Each student can have one parent drive them and stay at the event. This will count as their plus one. If not, we can transport you via bus, however, only Burbank students can ride the bus. You will need to fill out a permission slip to ride the bus. If you go by bus, you return by bus.

What about food? We will have some snacks provided. There is also a snack bar with items for purchase.

Can I leave the event and/or go to another screen and return? No, once you leave, you cannot return.

Are there tickets to the event? There is no charge for the event. We will be asking for an RSVP to get a head count and a list of seniors and their dates/plus ones.

Will we have a panoramic? We will be taking individual shots for our panoramic at the April 30 Ice Cream Social.
