Highlands High School Alumnus,

My name is [Tracy Guadarrama](#) and I am the Chair of the Highlands Alumni Education Fund, I am a fellow alumnus, and have been a teacher at Highlands for the past 16 years. Perhaps you have thought about ways to give back to your alma mater or how you can stay a part of the proud Owl community. The newly created Highlands Education Fund through the SAISD Foundation will give you the opportunity to do both. The fund has two main functions: to provide scholarships for graduating seniors and to provide current students with opportunities for enrichment that would not be possible otherwise.

The kickoff event for this fund will be a Highlands All Alumni Dinner held at Highlands on Saturday, October 29, 2022, from 6-10 pm. Seats are \$50 each and can be purchased individually or as a table of eight. Semi-formal or cocktail attire is recommended, and your ticket will include a sit-down dinner provided by Highlands High School culinary students. Enjoy a stroll down memory lane, take a tour of the new campus, and view mockups of the upcoming renovations to the athletic facilities. You will be wowed by student performances; we will introduce you to the new P-TECH program and you will see how the current students continue to bring pride to the Southeast side. If you are interested in donating but are unable to attend, you may do so through the link below. The monetary goal for this year will be to raise a minimum of \$10,000 and this event will be the kickstart needed to do so. If you have any questions or would like to assist in ways other than monetarily, please feel free to contact me at tguadarrama@saisd.net or call 210-438-6800 to reach me at the school. Thank you in advance for reinvesting in YOUR Highlands High School community and please share this with other alumni who you know will want to join us!
