Principal Cordova's Welcome

Dear Parents/Guardians & Students,

It is with great anticipation that we welcome you to the Brackenridge High School 2020-2021 school year. We are proud to announce our state rating continues as a “B” campus and look forward to increasing our achievements this year with your student. We look forward to a year full of teaching and learning. Whether we are together through distance learning or face to face instruction on campus, we are committed to providing all students with quality instruction, a safe learning environment, and social-emotional support especially in these uncertain times.

Brackenridge High School wants to build life-long academic, technology, and success skills for college and career opportunities. We are confident that together, our expectations for success will be accomplished because at Brackenridge— everyone’s job is to learn!.

The administrators, counselors, teachers, and staff members look forward to working closely with the parents and community for academic success, safety, support, and overall wellness for all students. Please know that the health, safety, wellness, and positive growth of all students and staff is the #1 priority for both SAISD and your Brackenridge family. Our hearts go out to those who have been affected by the pandemic. We also are committed at Brackenridge to honor the memory of those whose lives have been tragically lost from the result of hate, racism, ignorance, or anger. #SAISDsolidarity. #BlackLivesMatter. We ask all of our Eagles to be diligent and vigilant to take care themselves and each other.

SAISD has a dress code policy for students in learning environments. Student in participating in on-line learning must be dressed appropriately for school, and students in face-to -ace instruction must be in required school dress code. Students will be notified of class schedules prior to August 17th by a teacher or counselor via email, Canvas, or phone, OR schedules can be picked up curbside 8/13-8/14 10am-noon or 1-3pm. Instructions for students/parents to log into Single Sign on for Canvas attached.

A focus for us this year will be for all students to have excellent attendance including being on time to all classes for distance learning and/or face to face instruction as applicable.. Please help your student be successful by assuring he/she gets online/to class every school day on time. 90%+ attendance required for extracurricular activity participation and course credit.

There will be no on campus student parking this year due to construction. For safety, students must wear a mask, practice 6-foot physical distancing, and clean hands frequently. Students will not be allowed to congregate in groups before, during or after school. Clear or mesh bags/backpacks only, and no large bags at all please.

Our goal is to have clear communication with our families and students as changes can happen day to day, and we want to keep everyone well-informed.

If you have any questions, please call our office at 210-228-1200. We look forward to working with you. Thank you for your cooperation and support.

Sincerely, Ms. Yesenia Cordova, Principal
