Hybrid Blend of Synchronous/Asynchronous Learning (Flex Period): M–TH / 8:30 – 9:30 / 3:15 – 4:15

Students are provided synchronous and asynchronous time in their schedule to help support their academic needs. Teachers can use formative assessment data and grades to flag students in need of extra support; these students will be required to attend live tutoring (in-person or virtual) with their teachers during this time.

For example, students can Zoom with their teachers to discuss previous lessons or receive homework support. Students may use this time to watch the previous day’s recorded lessons, work on independent practice, complete projects such as the IB Personal Project; Extended Essay; CAS; finish homework assignments, attend enrichment classes/clubs/activities, work with counselors, etc.

Monday, Tuesday, Thursday: All departments (Flex Period- AM/PM)

Wednesday:

AM - I&S, ELAR, CTE, PE (Flex Period)

PM – Science, Math, LOTE, AVID (Flex Period)

Fridays will be Hybrid Synchronous/Asynchronous with students attending in-person and through Zoom.

Students will report to their 2nd Period Advisory Teacher on Fridays. Students will attend every class period 1-8 virtually and complete any assignments from their advisory homeroom.
