

# Family Engagement Title 1

St. Philip's ECHS receives federal funding (Title I, Part A dollars) to supplement the school's existing programs:

- To provide high quality education to all students
- Supplemental staff, programs, materials and supplies
- Provide support to students in an effort to meet State Academic Standards
- Conduct parent & family engagement meetings, trainings, and activities
- Recruit, hire and retain highly effective teachers

Parents have the right to be involved in the development of the School-Parent Compact and the Parent & Family Engagement Policy.

The compact is a written agreement that describes how the school staff, students, parents/families share in the responsibility for improved student academic achievement.

The parent & family engagement policy addresses:

1. How the school will involve parents (parent club, workshops, volunteer, decision making)
2. How information will go out to parents, i.e. parent meetings, teacher conferences, school website, Remind messages etc.
3. Develop strategies to support families & offer tools/resources to assist their child's learning.
4. Provide school staff with family engagement training

At the end of each school year, a meeting is held with parents to review and revise the parent-school compacts and parent & family engagement policy. Parents are encouraged to provide input/feedback in the decision making of the documents.

# Where are these documents?

The school-parent compact and parent & family engagement policy are located on our school website.

**St. Philip's Early College HS**  
for earning an **A** rating  
from the Texas Education Agency

**St. Philip's ECHS Class of 2021 Activities**

To the parents and students of the class of 2021  
At this time, due to the COVID-19 pandemic and restrictions on large gatherings, St. Philip's ECHS has not scheduled any senior activities for the class of 2021. As things change and restrictions are lifted, we will begin planning activities. Until then, any activity conducted for the senior class of 2021 is not a school sponsored or approved activity.

Thanks  
Derrick Thomas, Ed.D.
