<p>Make-up work due to absences: Student are encouraged to speak with their teacher and/or college instructor about planned absences, including absences due to school business (ie. games, tournaments, etc). All absences affect instructional time, and as a result may negatively impact student achievement. Students will be permitted to make up tests and/or assignments with an excused absence. However, a teacher may assign a late penalty to any long-term project in accordance with time lines approved by the principal and terms previously communicated to students/parents.</p>	<ul style="list-style-type: none"> - Parent Conference

<p>Release of students from school: A student will not be released from school at times other than regular dismissal hours except with the permission of the principal/designee or according to the campus sign-out procedures. State law requires students to attend school each day for the entire period of the program where instruction is provided. State law allows a student to be excused from school attendance for a temporary absence for any reason acceptable to the teacher, principal, or superintendent. Additionally, students will be excused for the purpose of attending religious holy days, including travel for that purpose; temporary absences resulting from a visit to a health care professional if the student commences classes or returns to school on the same day of the appointment; and required court appearances including travel to and from the court appearance. Students being released from school for other reasons may receive an unexcused partial absence, which may be a violation of the compulsory attendance laws. <u>Person(s) who request a student's release MUST provide personal identification prior to the release of a student. A person picking up a student must wait in the office/clinic area for the student to be released.</u> A student who needs to leave school during the day must bring a note from his/her parent that morning. The note should include a telephone number or other method of contact during the day for verification by school staff.</p>	<ul style="list-style-type: none"> - Parent Contact - Parent Conference
<p>Student vehicles on campus: Students have full responsibility for the security and content of his or her vehicle parked on district property. Students must ensure that the vehicle is locked, and secure keys. Student vehicles parked on district property are under the jurisdiction of the district. The school may search any vehicle at any time there is reasonable cause to believe that the vehicle contains articles or materials prohibited by district policy. Students are held responsible for any prohibited items found in their vehicles when parked on district property. If a vehicle subject to search is locked, the student will be asked to unlock the vehicle. If the student refuses, the student's parent will be contacted. If a search is also refused by the student's parent, the district will turn the matter over to law enforcement. The district may, in certain circumstances, contact law enforcement even if permission to search is granted. Students must have permission to park on school campus and must have a parking permit.</p>	<ul style="list-style-type: none"> - Parent Contact - Parent Conference - Removal of privilege to bring car to school
<p>Illness during the school day: A student who becomes ill during the day should, with the teacher's permission, report to the school nurse. The nurse will determine the severity of illness and contact the parent. <u>A nurse's call home does NOT constitute an excused partial absence.</u></p>	<ul style="list-style-type: none"> - Parent Contact - Parent Conference
<p>Medicine at school: A parent must provide a "Medication Permission Request Form" completed by a health care provider for the campus nurse to administer medication during the school day. Medication must be in its original and properly labeled container. The "Medication Permission Request Form" is required for both prescription and nonprescription medication, regardless of the length of time the medication is to be taken. Forms are available from the school nurse. Medications not listed by the U.S. Pharmacopoeia and not approved by the FDA may not be administered at school. Students are not permitted to self-carry or self-administer any prescription or over-the-counter medicines at school or at school-related activities, with the exception of prescription asthma medicine or medicine for anaphylaxis.</p>	<ul style="list-style-type: none"> - Parent Contact - Parent Conference
<p>Bullying: Bullying is defined in Section 37.0832 of the Education Code as a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that:</p> <ul style="list-style-type: none"> • Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; • Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student; • Materially and substantially disrupts the educational process or the orderly operation of a classroom or school; or • Infringes on the rights of the victim at school. Bullying includes cyberbullying. Cyberbullying is defined by Section 37.0832 of the Education Code as bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a 	<ul style="list-style-type: none"> -

<p>Students rights & responsibilities: All students are entitled to enjoy the basic rights of citizenship recognized and protected by law for persons of their age and maturity. Students are expected to respect the rights and privileges of other students, teachers, and district staff. Students shall exercise their rights responsibly in compliance with rules established for the orderly conduct of the district's educational mission. Student responsibilities for maintaining a positive learning environment at school or school-related activities include:</p> <ol style="list-style-type: none"> 1. Treating other students and the adults in the school with courtesy and respect. 2. Accepting responsibility for their actions and behavior and being accountable for the consequences. 3. Attending all classes regularly and on time. 4. Being prepared for each class with appropriate materials and assignments. 5. Dressing and grooming appropriately as described in this document. 6. Paying debts in a timely manner (unless waived). 7. Seeking changes in school policies and regulations in an orderly and responsible manner, through appropriate channels. 8. Respecting the property of others, including district property and facilities. 9. Refraining from violations of the SAISD Student Code of Conduct, and obeying all campus and classroom rules, including safety rules. The District may impose campus or classroom rules in addition to those found in the SAISD Student Code of Conduct. These rules may be listed in the campus student handbook or posted in classrooms, and violations of such rules may or may not constitute violations of the SAISD Student Code of Conduct. 10 Reciting the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag each day is required by Texas law. State law requires one minute of silence follow recitation of the pledges. The student may choose to reflect, pray, meditate, or engage in any other silent activity so long as the silent activity does not interfere with or distract others. 	<ul style="list-style-type: none"> - Parent Contact - Parent Conference - In school suspension - Out of school suspension
