Travis ECHS is an exceptional high school with a history of superior student academic achievement. Students who attend Travis are expected to represent the highest standard of self-discipline, motivation, and responsibility at all times. The information contained in this document is supplemental to the SAISD Student Parent Handbook and provides specific procedures and requirements for the Travis ECHS campus.

PROGRAM REQUIREMENTS

Graduation/Degree Attainment: It is the expectation that 100% of students will meet the State of Texas' graduation requirements. Additionally, as an ECHS, it is also the expectation that students will complete the program requirements at SAC and attain the Associate Degree by the end of the fourth year of enrollment.

AVID: The AVID elective is a required course for ALL students for 4 years as it is a component of the Early College High School Model. Credits earned are applied to high school graduation requirements.

TSI Preparation: All Travis students must "college level" minimum standard on the Reading and Math TSI Exam by the end of the 10th grade to be considered on track for completing the Associates Degree upon finishing 12th grade. Students NOT meeting the minimum standard will be required to attend remediation and retest as soon as possible.

Intervention/Acceleration: Students are required, with limited exceptions, to perform satisfactorily on the following state EOC assessments: English I, English II, Algebra I, Biology, and U.S. History, in addition to the Texas Success Initiative (TSI), PSAT, SAT and ACT Exam. Students who have failed to meet minimum standards on required assessments, will have opportunities to re-test and are subject to receive accelerated interventions in preparation for said re-tests. This may require attending interventions before or after normal school hours or on Saturdays.

Math & Reading Courses: Students will enroll in Math & English courses through their senior year in order to best prepare them for academic success and transition to a four-year university.

Community Service: Students are required to complete one hundred hours of community service by end of their 4th year at Travis ECHS. Updates sent home at mid and end of school year.

STUDENT EXPECTATIONS

ACADEMIC

General: Maintain a minimum of 75 GPA in all high school courses.

San Antonio College Courses: All students take classes at the SAC campus and are expected to adhere to the Alamo Community College Student Handbook. Students attending Travis ECHS have courses/books/dues paid for by the SAC & SAISD. Parents/guardians may be financially responsible for the cost of retaking a course due to poor academic performance. Students will attend class daily, arrive on time, turn off cell phones during instructional times, and demonstrate appropriate behavior to ensure all scholars have high quality academic experiences. Students must maintain a cumulative 2.0 GPA at San Antonio College. *All students must pass EDUC at the college before moving on to other college coursework.*

*Failure to obtain a C or better will negatively impact students attaining the Associates Degree by the end of their senior year. **(It is the responsibility of the student and parent to monitor grades at SAC via ACES account, as well as grades in Frontline).***

- Students are expected to complete all college coursework to meet the high school requirements for graduation simultaneously. Classwork must be turned in on time. Late work is NOT acceptable. Students must seek out help if they have questions and/or do not understand.
- It is not acceptable to procrastinate or plagiarize.
- Be reminded that college grades earned will become part of your permanent college record.
- Students will be expected to work at the college level and to fulfill course deadlines provided by college professors.
- Students will be expected to review the course syllabus and requirements the first day of SAC classes.
- Students will sign up for Remind to maintain communication concerning high school and college events/announcements.

Tutoring. Students in need of academic support may be assigned tutoring during the school year. Tutoring is available Monday – Thursday 3:45 – 4:30 PM. Students may receive support for high school classes, college classes, TSI or PSAT/SAT. Teachers/students will work to coordinate tutoring time with parents to ensure transportation is provided.

High School Grade Level Classification. Students must earn minimum course credits to be promoted to the next grade level:

- ✓ 9th grade classification: 0-5.5 credits
- ✓ 10th grade classification: 6.0-11.5 credits
- ✓ 11th grade classification: 12-17.5 credits
- ✓ 12th grade classification: 18 plus credits

All credits must be acquired before the first day of the following school year to establish grade level classification and UIL eligibility for semester one.

ATTENDANCE

School Day: Daily attendance is critical at Travis ECHS. Our scholars' instructional experiences begin at 8:00 a.m. daily and end at 3:30 p.m. (Monday-Thursday) or 3:00 p.m. (Fridays). Scholars are expected to attend all their classes every school day. *Late arrivals and early departures should be an exception for few Travis ECHS scholars.*

Travis 98% Attendance: It is a campus expectation that all students meet the minimum standard of 98% attendance rate. Five (5) or more absences will require a student/parent conference. An attendance rate less than 90% per grading period per course will result in a loss of credit for that class. *Three (3) absences from a College Course can lead to an automatic DROP from the college rosters and as a result from Travis ECHS.*

Excessive tardiness: A pattern of tardiness to Travis or SAC will result in a student/parent conference, detention, in-school suspension, the removal of privileges and/or the loss of course credit. A scholar is tardy if they are not present in the classroom when the class begins.

College Days: ALL students are to SIGN-IN and OUT each period when leaving to or arriving from SAC campus in designated area.

Non-College Days: Students are to remain on Travis campus once they arrive to school.

Absences: Scholars are expected to ensure a parent or legal guardian notifies the attendance office via call, email, remind or note informing the campus of a scholar's absence. *Failure to notify the school will result in an unexcused absence. Students may receive a zero for all missed work due to an unexcused absence.* Students have 48 hours to resolve all recorded absences.

College: Students are responsible for informing their San Antonio College professors if they will miss a class. Informing professors is courteous but, does NOT excuse the absence.

Make-up work due to absences: Student are required to speak with their teacher and/or college instructor about planned absences, including absences due to school business (i.e., games, tournaments, etc.). All absences affect instructional time, and as a result may negatively impact student achievement. Students will be permitted to make up tests and/or assignments missed due to an excused absence. However, a teacher may assign a late penalty to any long-term project in accordance with timelines approved by the principal and terms previously communicated to students/parents.

BEHAVIOR

We will maintain a school that is orderly, clean, and safe where ALL students are proud to attend.

Travis ECHS: Students will adhere to the SAISD Student Code of Conduct. All student violations of the code of conduct will be managed in accordance with the policies and procedures set forth in the SAISD Student Code of Conduct Handbook as well as the Alamo Community College Student Code of Conduct Handbook. Any level III violation of the student code of conduct may result in the referral to DAEP that can result in the removal from the high school & college program which will impact a student's ability to complete the Associates Degree. Any level IV violation of the SAISD code of conduct will result in immediate removal from Travis ECHS. Any behavior that leads to the removal/suspension from San Antonio College will result in immediate removal from Travis ECHS.
