

Introducing a **RADICALLY DIFFERENT** high school experience.

CAST Tech is a career-themed high school focused on coding, cyber security, gaming, entrepreneurship, business and more. Located downtown in renovated buildings on the Fox Tech campus, the school will work hand-in-hand with industry partners to prepare students for careers in technology and business, where the demand is high for talented workers. The school will open in Fall 2017 with 150 9th graders.

Fast Facts About **CAST Tech**:

- Students' needs and interests drive learning.
- **REAL-WORLD EXPERIENCE** through company-generated projects, job shadowing, mentorships and internships. Projects posed by business partners allow students to be creative thinkers and apply what they are learning to real-world challenges.
- **DIRECT LINK TO INDUSTRY** through advisory group that includes H-E-B, Rackspace, Geekdom, Open Cloud Academy, CodeUp, USAA, Frost Bank, Firstmark Credit Union, University Health System and Tech Bloc.
- Location in downtown **SAN ANTONIO TECH DISTRICT** will allow students to walk to work-based learning opportunities.
- **FOCUS ON TEAMWORK** and technology to build skills in entrepreneurship, project management, and problem-solving.
- **FLEXIBLE SCHEDULES** allow virtual and in-person connections to mentors, educators and national projects.
- Students begin **BUILDING RESUMES** as early as 9th grade through project roles.
- Students can earn **30 HOURS OF COLLEGE CREDIT** and industry certifications through college/university partners.
- **BLENDED LEARNING** environments include digital and face-to-face instruction.
- Students can participate in **ATHLETICS AND FINE ARTS** through Fox Tech.
- Students will be able to create their own **CLUBS AND ORGANIZATIONS**.

Is CAST Tech a good fit?

The ideal CAST Tech student is:

- Comfortable using technology regularly throughout the day, from completing assignments and tests on an iPad to using collaboration software.
- Enjoys a more flexible school structure with classrooms that are set up with multiple learning stations.
- Goal-oriented and responsible, taking ownership over how to best reach goals within a given timeframe.
- Eager for an academic challenge and willing to take on college-level courses, with plenty of support from teachers at the school.
- Committed to real-world experiences, including summer internships that could help jumpstart their careers.

INFORMATION SESSION DATES:
