Subject: Student Covid Vaccine Tracker
Date: Monday, March 21, 2022

Dear Parents:

We are providing a confidential website, at which parents and guardians may securely upload their child's COVID-19 vaccine record. Providing this documentation is voluntary but doing so may benefit your child. Students who are known to be vaccinated may not need to quarantine due to an exposure to a positive person, allowing your child to remain learning in school and participating in extracurricular activities.

With your participation, your child's COVID vaccine information will be safely placed in his or her SAISD electronic medical record and can be retrieved by the school nurse should a copy be needed in the future.

- If you are interested in participating, please complete the form at this link:
https://saisd.co1.qualtrics.com/jfe/form/SV_57MonWuOSn8gmBo
- The survey can also be accessed through this QR Code:

If your child is eligible for the COVID-19 vaccine and you would like for your child to be vaccinated, please visit the district's website at www.saisd.net/vaccines for a list of upcoming opportunities, conveniently available right here within our district. Vaccines have been shown to be safe and are a critical tool to help keep children healthy, protect their learning, and provide stability for our families.

We appreciate your partnership in keeping our school a safe and healthy environment for learning.

Sincerely,
Rick Flores, Principal
Rhodes Middle School
