February 18-21, 2020

## Notes from Emerson/Notas de Emerson

This past week was filled with lots of love! The tradition of exchanging Valentines is such a sweet activity to see. All of our Bears were able to participate in this activity. If a student forgot or could not buy Valentines, our school counselor, Mrs. Bain, had a Valentine's Store where students could pick out Valentines to give to their classmates. The best part of the store was our Bears did not have to spend a dime!

This past week our 3rd graders were able to attend the San Antonio Rodeo! They were extremely excited and came back from the rodeo wearing red bandannas! Not only did they learn about animals but they also had a great time!

Finally, Mrs. Dubuque and the Eco Club plus the Caballeros participated in Basura Bash! This group spent their Saturday picking up trash along the spillways on the West side of town. They were amazed at all of the trash that they picked up. It was awesome to see parents, teachers, and community members coming together to make a difference.

This week our Los Caballeros Distinguidos are going to be greeting dignitaries at the State of the District event. What an honor to have Briscoe be a representative for the District.

¡La semana pasada estuvo llena de mucho amor! La tradición de intercambiar San Valentín es una actividad tan dulce de ver. Todos nuestros osos pudieron participar en esta actividad. Si un estudiante olvidó o no pudo comprar San Valentín, nuestra consejera escolar, la Sra. Bain, tenía una tienda de San Valentín donde los estudiantes podían elegir San Valentín para regalar a sus compañeros de clase. ¡La mejor parte de la tienda fue que nuestros Bears no tuvieron que gastar un centavo!

¡La semana pasada nuestros alumnos de 3er grado pudieron asistir al Rodeo de San Antonio!  
¡Estaban extremadamente emocionados y regresaron del rodeo con pañuelos rojos! ¡No solo aprendieron sobre animales, sino que también se divirtieron mucho!

¡Finalmente, la Sra. Dubuque y el Eco Club más los Caballeros participaron en Basura Bash! Este grupo pasó su sábado recogiendo basura a lo largo de los vertederos en el lado oeste de la ciudad. Se sorprendieron de toda la basura que recogieron. Fue increíble ver a padres, maestros y miembros de la comunidad reunirse para hacer la diferencia.

Esta semana nuestros Distinguidos de Los Caballeros van a saludar a dignatarios en el evento del Estado del Distrito. Qué honor tener a Briscoe como representante del Distrito.

Sincerely,  
Mrs. Emerson
