

June 3, 2021

Dear Families:

Sleeves Up! SAISD is focused on ensuring all eligible students are fully vaccinated by the beginning of the new school year. In partnership with local sponsors and healthcare providers, we are excited to offer our students and families several opportunities to get COVID-19 vaccines! Simply visit www.saisd.net/vaccines and you can choose a provider, date and location that best suits your needs.

Please note: For students younger than 18, a parent consent form must be completed prior to receiving a vaccination. Required forms can be found within each provider’s registration link.

SAISD Partners

- Baptist Health System
- City of San Antonio
- H-E-B
- University Health
- Walmart

In addition, thanks to a partnership with H-E-B, middle school and high school students can get a free COVID-19 vaccine **next week, June 8-June 12.**

H-E-B/SAISD High School On-Campus Vaccination Clinics

Eligible children and families can get a free COVID-19 vaccine at one of our high schools next week, June 8-11. Transportation from smaller campuses will be provided to the high school vaccination clinic site. [Click on this link](#) to select a campus and register.
