

COVID-19 Vaccine Opportunities

Students 5-11 Years of Age PLUS Vaccines and Boosters for Other Age Groups

SAISD is proud and excited to partner with **South Texas Allergy & Asthma Medical Professionals (STAAMP)** and **Metro Health** to provide students ages 5 through 11 years opportunities to receive their Covid-19 vaccine. We know many of you will be excited for the opportunity to get your child(ren) vaccinated prior to the upcoming holidays, especially if you plan to travel and celebrate with extended family.

If you would like to take advantage of this opportunity, please use the following URL address or QR code to register your 5-11-year old for one of the clinics listed below. These dates are contingent on the providers receiving shipment of the doses. https://saisd.co1.qualtrics.com/jfe/form/SV_7Umqzc3sH5vhWUm
