Hello Huppertz Families.

I sincerely hope you are doing well and enjoyed the 2 ice days we had last week. We now need to get back into our routines and continue our journey to greatness. *Every single day is important and your child needs to be at school daily and on time.* The next round of required attendance letters are being drafted and I will move forward on all cases in which children have been consecutively absent or tardy to school and the caregivers have not contacted the school. I am an example of how a solid education can improve a person's life and I want the same plus more for every child here at Huppertz. Working together we can guide your child to success.

As you know, **Monday** is our **100th day of school** and we are looking forward to celebrating your child's milestone of being 100 days smarter 😊 In addition, our monthly Campus Leadership Team (CLT) meeting scheduled for last Tuesday was canceled due to the ice day. *This meeting has been rescheduled for Tuesday, February 7th at 4:30 pm.* We still need a parent representative to attend and *you are more than welcome to join us as we review data, discuss a variety of topics, and plan upcoming campus events.* **Finally, CBA testing for all students continues as well as required Circle testing for PK students; Attendance Matters!**

Thank you families for your ongoing support. We are here to help in any way we can. Please call us at 210-438-6580 between 7:30 am-3:30 pm or email our family specialist Ms. De Leon PCORTEZ2@saisd.net Together we will pave a foundation of success for your child/ren.

Respectfully,
Ms. Linda Rios-Garcia,
Head of School/Principal

Parent Teacher Organization (PTO)

Our amazing PTO is sponsoring a **Valentine's dance on Monday, February 13th from 3:30-5:00 pm for current students in PK-5th grade**. All students need a signed permission slip with 2 current phone numbers for emergencies. In addition, PTO is selling Valentine's grams and detailed information is being sent home with all students on Monday. *Note: Pre-K students must have a parent/guardian attend with them who also has a cleared background check for this school year.* This is sure to be a fun event. Hope to see all our Cougars attend!

Texas Council for International Studies (TCIS)

PROUD TO BE A TCIS PARTNER SCHOOL	
	<ul style="list-style-type: none"> • Did you know that being an in district charter school enables us to earn more funding? These funds are used to acquire specialized staff to ensure we are in compliance with the IB programme and TCIS guides us in the process. Thank you, TCIS! • TCIS continues to sponsor an Atten-DANCE contest. When our daily attendance is 90% + we earn a ticket for the prize drawings. <i>Hopefully we will win additional funds for our school since we now have our school name several times for the January drawing...fingers crossed!</i> Attendance Matters. • TCIS purchased instructional materials to aid our Cougars with STAAR test items & Math. Merci.
