

San Antonio Independent School District

Mary Huppertz Elementary School

Hola Parents/Guardians.

I am very happy to report that our first week of face to face learning went well! Our Cougar cubs are doing a fantastic job implementing the new procedures aligned with social distancing guidelines and have expressed how happy they are to be back on campus. We are thrilled to see your children as they are the reason why we all chose education as our career.

I understand you may be reconsidering your initial decision for how you would like your child to receive their educational instruction. Please know that I have had a waiting list since August 17th & I have to consider the all parameters set forth by my superiors. Starting today Monday, September 14th the parent/guardian of the selected students for the 2nd phase of face to face learning will receive a phone call. I can only bring in another 10% of students as small groups with ample square footage are key factors in combating the spread of COVID-19.

Also, this Wednesday in collaboration with the Jefferson-YWLA Education Leadership Council (JYELC) I am presenting the Huppertz Elementary Bond 2020 information. You are all invited to attend this virtual meeting from 6-7:15 pm; the link to join is in the section below titled "Important Notice". Also, **progress reports** were sent out last week to your **email address on file with SAISD**. If you have not seen your child's progress report, please make sure to log in to your associated email and/or communicate with your child's teacher for further
