

San Antonio Independent School District

Mary Huppertz Elementary School

Hello Huppertz Families.

I hope you are doing well and adjusting to life after the cold blast. I know we all faced challenges that impacted our way of life, but now we must shift our focus back to resuming our lives the best we can. *Your children have been missed dearly by the entire school staff and we are looking forward to seeing everyone back in school on Monday!*

I will be hosting a **Principal Chat on Monday at 6pm** via Zoom. This meeting was scheduled prior to the cold blast as I wanted to speak to you about the importance of registration. However, I will also address any questions you may have about consequences from the cold blast and resources needed. Further, I will be leading the monthly **Campus Leadership Team (CLT) meeting on Tuesday at 4pm** and we will discuss current happenings as well as the future of our campus. I hope you can join me and links for these meetings are included below.

Also, please know that the job of raising a family is the single most important influential job in the world. *You are your family's most important role model and what you cherish is absorbed by all those around you, especially children. Your efforts (though challenging at times) are appreciated dearly. Thank you for all you do.*

In conclusion, I want to thank you for your support in your child's education. **I know we all want your child(ren) to succeed and working together we can and will pave a positive path for your child's success.** Please call 210-438-6580 & let us know how we can be of assistance. Take care.

Sincerely,

Ms. Linda Rios-Garcia,
Head of School/Principal
