Mary Huppertz
Elementary School

Dear Huppertz Families,

I hope you are doing well and staying healthy. We have 9 school days left to finish this school year and every day will be key to finalizing your child's learning skills in their current grade level. We will have fun activities that build upon the required learning standards and your child's participation with work submissions is necessary.

I want to say **thank you** for ensuring your child participates in the required end of the year testing as these results will help us customize your child's learning plan for next school year. Also, your efforts in registering your child(ren) for next school year as well as our Jump Start program in July are key components in setting your child up for success. Working together we can and will help your child reach their maximum potential.

As stated in our upcoming events (upper right hand side), we have designated events to close out your child's learning experiences for this school year. **Due to the continued pandemic & in the best interest for the safety of our children, Huppertz Elementary will maintain a closed campus for these events. The only exception is on Tuesday when I will be hosting a parent/community event about the Elementary and Secondary Schools Emergency Relief (ESSER) funds. Please park on Riverdale Drive for this event and enter through the gym.**

In conclusion, this school year has been a challenge for everyone, but I know we have all learned some positive things as well. Let's continue to focus on making these last 9 school days engaging for your child as they are our future leaders. Thank you, caregivers. I appreciate each of you.

Sincerely,

Ms. Linda Rios-Garcia,
Head of School/Principal

6/16: **5th Grade Recognition Parade @ 6pm***

6/17: **Class celebrations begin @ 1pm**

◇The recognition ceremony will take place in the gymnasium & will be streamed on Facebook live and Zoom. Your child's teacher will be reaching out to confirm permission of photography for your child. We will abide by the parent/guardian preference and those students who are not to be photographed will be recognized once the live platforms are turned off. Online learners will have an opportunity to participate if the parent/guardian chooses to drop off the student for this event.

**This school year we are inviting the families of each 5th grade student to decorate one vehicle per student in honor of your child (like a birthday parade). We will have a drive around parade at Huppertz beginning at 6pm. The 5th grade Teachers will present each student with a recognition packet at a designated stop and we will have a few planned stops for photo opportunities. For the safety of everyone, ONLY the 5th grade student will be allowed to exit the vehicle on the same side as the Huppertz main entrance. Vehicles will line up on Riverdale Drive near the gym in the exact manner as dismissal is done. We look forward to seeing your creativity in honoring your child on June 16th at 6pm!*
