

Huppertz Elementary

247 Bangor San Antonio, TX 78228

Greetings Huppertz Families!

In order to keep all students and families safe from the spread of COVID-19 (aka Coronavirus) **SAISD campuses are closed until April 3rd**. This does not mean that your child/dren are still on vacation. Research shows that students need to maintain their normal routines to continue expanding their well-being and brain functioning. **I need you to know that we are converting student education to online learning beginning on Monday, March 30th**. So what will students do this week? **ALL students are highly encouraged to log into <https://www.saisd.net/2020>** Here your child will find customized lessons by grade level for each day this week. You do not need a computer to do this as this can be done on any device that links to the internet (cell phone, tablets, Xbox, Playstation, etc.). **You can also find online resources on the Huppertz website under the tab School Closure Resources.**

If you do not have internet service, we are encouraging our families to take advantage of the free offers from the following companies:

- 1) Spectrum <https://www.spectrum.com/wifi-hotspots>
Or you can call 1-844-579-3743 to enroll.
- 2) Xfinity (Comcast) <http://wifi.xfinity.com>

Also, if you do not have a device to connect to the internet, please know that **work packets** will be distributed at all the food distribution sites. Again, please ensure that your child is either completing the online lessons or working on the paper

Upcoming Events

3/23 Students work either online OR on work packets (read letter)

3/30 MANDATORY online learning begins

SAISD SCHOOL CLOSURE – MEAL PLAN

****Updated Hours beginning Monday, March 23rd****

10:30AM-12:30PM

SAISD will provide a curbside Meal service program during the District's school closure for children ages 18 years and younger. **Children NEED to be present at time of pickup.**

Locations:

Brackenridge High School
Burbank High School
Edison High School
Fox Tech High School
Highlands High School
Sam Houston High School
Jefferson High School
Lanier High School
***LONGFELLOW Middle School**
*** Closest to Huppertz**

**WORK PACKETS
AVAILABLE AT ABOVE
SITES!**

packet. We will NOT have any packets on our campus as they will only be available at the Food Distribution sites.

Next week **beginning on Monday 3/30, ALL students are expected to participate in online learning** as attendance will be taken daily and our mission to continuing to educate your child still exists. [Please communicate often with your child's teacher via email, Dojo, Remind, or whichever system you have already used routinely.](#) If you do **not** hear from your child's teacher by Wednesday, please contact the main office and let Ms. Songer know, leaving your name, child's name, phone number and teacher's name. Our goal is to communicate with every child's parent/guardian no later than Wednesday at 1pm.

What about student testing? The Texas Education Agency (TEA) has waived the required STAAR and TELPAS testing for this school year. Student promotions to the next grade level will be determined by your child's grades as well as participation and attendance in online learning.

Technology distribution is currently being reviewed and as soon as I have a plan in place for our campus, I will communicate with you via automated phone calls, school website, Facebook, and Twitter. It is of utmost importance for you to stay updated by following Huppertz Elementary on [twitter @SAISDHuppertzES](#) or on our [newest Facebook page: Huppertz Elementary, SAISD](#)

I want you each to know that although this is a time of uncertainty, you can absolutely count on Huppertz Elementary to assist you as needed. We are only a phone call away and have chosen to dedicate our lives to your children. We all miss your children immensely and are hoping this pandemic will be over soon. For now, please take care of yourself and your family while continuously practicing hand washing and social distancing. Together, we can get through

this and persevere. As I have said time & time again,
we accomplish anything with **Power In Unity**.

Sincerely,

Ms. Rios-Garcia
Principal
