Mary Huppertz
Elementary School

Hello Huppertz Families.

I hope you are doing well and staying safe. I want to first thank you for your patience and understanding as we are **finishing up with STAAR testing on Monday**. I know the groupings of students on campus is very different, however, this school year has also been very different. Providing the best testing environment is key for our students' success. Your flexibility and patience are greatly appreciated.

This Tuesday we will resume back to our normal in person student schedule on campus. If your child is currently an online learner and you would like him/her to return to school for in person learning, we will gladly accommodate you. Please contact Ms. Garza at 210-438-6580 or vgarza4@saisd.net so she can make arrangements and inform you as to your child's start date. There is nothing better than your child being taught by certified educators who studied the research on how to best teach students! We are here to serve you.

In conclusion, we have 5 weeks left of school. Time is passing by quickly and every day there is so much for your child to learn. **Daily attendance is vital because when your child is absent, he/she misses out on learning.** I know we want your child/ren to be successful so please communicate with your child's teacher often. Working together we can uplift your child's chances of achieving greatness. We are only a phone call away. Thank you for all you do. #powerinnumbers #teamwork #success #chasing100

Sincerely,

Ms. Linda Rios-Garcia,
Head of School/Principal

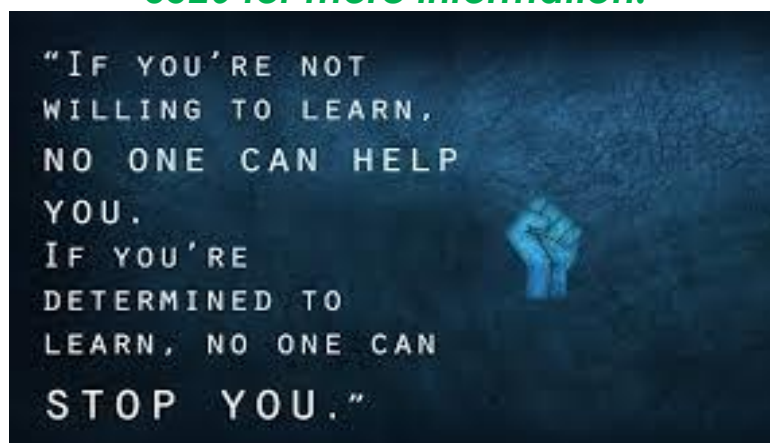

Instructional focus this week:

- **Active monitoring**
- **Student ownership**
- **Journaling for comprehension**

***Asynchronous means no Zoom meetings. It is 100% independent learning from home.**

FRIENDLY REMINDERS:

- Register your child for school next school year! If you are registered, you are reserving your child's seat. Please contact Ms. Garza at 210-438-6580 between 7:30am-3:30 pm to make an appointment & she will gladly assist you.
- Have you heard about our Huppertz Jump Start program? July 19th-30th from 8am-3pm we will have fun, exciting, hands-on learning experiences for all students going to Kindergarten-5th grade. Register your child today!
- If your child is currently in 5th grade and is registered to attend SAISD next school year, he/she qualifies to attend the Jump Start program. You may contact Longfellow Middle School at 210-438-6520 for more information.

A teacher plants the seeds of knowledge, sprinkles them with love, and patiently nurtures their growth to produce tomorrow's dreams.
