Dear Huppertz families,

Thank you for your ongoing support this school year. Although we were all challenged in different ways, we united when it came to providing the best educational experiences for our Cougars. Your consistent communication and collaboration with the Huppertz staff are appreciated.

As we celebrate our Cougars' accomplishments this week, we must remain focused on **school safety**. If you are planning on attending any of our in-person ceremonies, **you must have a valid state issued license or ID to be allowed on campus, no exceptions**. Plan on arriving with sufficient time to sign in and make your way to the designated area for your child's ceremony. *Please know you will be asked to write the names of all minors accompanying you into the building for the ceremony.* If you bring any balloons, please sit along the outer edge of the designated space so you do not block anyone's view or picture taking. Thank you for your cooperation.

**Great news!** If you are in need of **childcare this Summer**, want to save money on groceries, or simply want your child to continue learning, you can have your child/ren attend the **Summer Youth Program AT HUPPERTZ** from 7:30 am-5:30 pm, June 13-July 15. The cost is based on your income (see this [Link](#)) and you can register by going to any City of San Antonio Community Center or online: <https://www.sanantonio.gov/ParksAndRec/Programs-Classes-Fun/Programs-Classes/Program-Details/ArtMID/16180/ArticleID/4215/CategoryID/219/CategoryName/Summer-Programs/Summer-Youth-Program#> If your child is already registered to attend SAISD Summer Enrichment Camp, your child can also attend the Huppertz Summer Youth Program from 3:30-5:30 pm as long as they attended the full day session at Maverick first and you register for the Summer Youth Program. Keeping our Cougars active and learning is the key to their success.

As we close out this school year, I must say **Thank You parents/guardians** for partnering with us. Working together we will ensure your child will be successful in all their endeavors. You are appreciated. **#PowerInUnity #CougarsPride**

Sincerely,  
Ms. Linda Rios-Garcia,  
Head of School/Principal

### Instructional focus this week:

- Safety procedures
- Reading for meaning
- Math facts
- Organizing ourselves

# FRIENDLY REMINDERS 😊

- As we reflect on how to keep each other safe at school, please remind your child to never open the school doors for anyone; even if they recognize or know the person. Only office staff should open the doors for campus visitors. Also, please do not enter our building when someone else is already coming in as this is not a safe practice.
