## Mary Huppertz Elementary School

Dear Huppertz families,

As the cool **October air** circulates throughout our region, I am reminded of all the changes happening around us. Not only are the leaves changing color, but our children are changing every day; They are growing, becoming more knowledgeable, observing our actions, and expressing themselves in their own ways. Having an open mind, listening what our children say, and being mindful of how we react will allow them to flourish.

Thank you, parents/guardians for your ongoing support of our IB® program. Every month the IB® Learner Profile awards are presented to the students, teacher, and parents who are nominated and chosen to have demonstrated the specific attribute. Last month our campus focus was on the Learner Profile attribute of being "Principled". **Congratulations to our parent winners: Mr. Ismael Leiva IV and Ms. Roseanne Hardy!** Thank you for your ongoing support ☺

This week there is a **Jefferson YWLA Education Leadership Council (JYELC)** meeting at the Jefferson High School cafeteria from 6-7:30 pm. You are always welcome to attend. Also, this **Thursday** the Huppertz community is invited to show their support for breast cancer awareness by wearing **pink**. Many families have lost loved ones to all kinds of situations and raising awareness is part of being a well-rounded individual in our world.

In conclusion, thank you caregivers for all you do. Take care of yourself, make time to have conversations with your children and know we are here to help in any way we can. **Together we will guide our Cougars to a bright future! #unitedforthechildren**

Sincerely,  
Ms. Linda Rios-Garcia,  
Head of School/Principal
