

Huppertz Elementary

247 Bangor San Antonio, TX 78228

Good day Parents/Guardians!

This past week we had our STAAR simulations for 3rd, 4th, and 5th grade students and we are now analyzing the data to see where every child is performing. This information is vital as we collaborate with specialists to create a plan of action to best support your child's/children's needs so they can excel. Please ask your child how he/she did and know that you are encouraged to communicate with your child's teacher to review his/her plan of action. Working together we lead your child to success.

Now, here are several important upcoming events you need to know about. On **Wednesday** we will have a representative from the Texas Education Agency visiting our campus and observing our campus operations. This visitor will observe and analyze his findings to then provide me feedback as to how we can improve. This **Thursday** is our IB Showcase & International Night and your child's/children's work will be the sole focus of this event; please plan on attending as the students will present their projects and have been working very hard for this big event. On **Saturday** we will conduct Saturday school from 8 am-12 Noon; ALL students in grades 3, 4 & 5 are encouraged to attend.

Finally, I want to say THANK YOU for your continued support in our quest to lift Huppertz Elementary back to the amazing school we all know it can be. Your commitment and understanding through the needed changes are valued and appreciated. **Together we can achieve greatness**😊

With Power In Unity,

Ms. Rios-Garcia
Principal

Ms. Tracy
SHINTON1@saisd.net

WE ARE HERE TO SERVE YOU

LET'S KEEP OUR CHILDREN SAFE.

SCHOOL ZONE SPEED LIMIT

**It's Not
A Suggestion.
It's The Law.**

#targetzerosc

SCHOOL TRAFFIC LAWS ARE STRICTLY ENFORCED

☺FRIENDLY REMINDER☺

During morning drop offs please follow our campus safety rules and allow your child/ren to exit your vehicle only in the drop off lane where we have school safety patrols present to open the car door. *If you are dropping off your child/ren in the **car lane across from the school**, the expectation to maintain safety is to exit the vehicle on the same side as the sidewalk and then walk towards the crosswalk where an adult and the safety patrol will cross your child/ren (until 7:55am).* **If there is no longer an adult or school safety patrols, please take the time to exit your vehicle & cross your child through the crosswalk; safety needs to be our #1 priority in order to avoid an accident.**

During dismissal, thank you for remaining patient in the car line on Riverdale and following our flow system of moving up to the car pickup spaces. **ALL people are expected to walk through the ramp to/from the gym as this ensures that our students are safe and only entering the vehicles in the car lane pickup spaces. Our safety patrols are there to guide you.**

REMEMBER: U-TURNS ARE STRICTLY PROHIBITED

PLEASE ADHERE TO THE SPEED LIMIT Thank you for all you do!
