Contact the Enrollment Office to register at SAISD.

Digital Learning Playground PK-8

Come and join in the fun! The Digital Learning Playground is ready for summer learning. The Website includes online lesson in reading, math, science, technology, STEM, and other subjects. Students choose their own activities and pace. The challenges are in English and Spanish and designed to support all learners. The DLP launches June 21. Teachers will check-in with students in LIVE sessions.

When: June 21- August 6

Where: Online via Zoom with teacher check-ins

Who: All SAISD students, PK-8th

Questions?

SEAD and Restorative Practices, Dawn Kulpa, 210.554.2580

Intercession 1 Jumpstart

Get an early start to the school year! Students will participate in this in-person, all day program to get ready for the new grade level or subject. The program will support reading, math, and fun enrichment activities in STEM, Art, and Music.

In high school, all subjects and electives will be available.

When: July 19 - 30

Where: Designated Schools

Who: All SAISD students in PK4 -12 registered for the 2021-2022 school year

Questions?

Extended Learning, Lus Zoch, 210.554.2605
