STUDENTS AT SEVERAL OTHER
CAMPUSES**

Jan. 4, 2020 – SAISD announced that Poe Middle School will reopen as a full middle school, serving students from 6th to 8th grades and bringing on board several new programs designed to enhance learning opportunities.

Poe, which currently serves grades 7-8, will have a Choice program component for incoming 6th graders and will transition to be a fully developed Choice School with dual language, beginning in 6th grade, and STEM as its core programming.

Also exciting is the addition of a full slate of athletics for students to choose from.

The move will realign the population of several other campuses. All 6th grade students zoned for Highland Park Elementary and Smith Elementary will attend Poe. Douglass Academy, Herff Academy, and Riverside Park Academy will all become elementary schools serving students in grades PK-5 as a result of these changes. Riverside Park will gain a theater program. All academies will gain choir programs.
