

Knox Early Childhood Education Center

Technology Deployment Plan

Perla S. Kwiatkowski, Principal

As part of San Antonio ISD, Knox ECEC is committed to providing all students a technology device to engage fully with distance learning instruction.

Number of Devices Available: 274

Technology Arrival Date: Saturday, April 4, 2020

Technology Distribution: Monday, April 6, 2020 12pm-4pm

Dates & Times Tuesday, April 7, 2020 8am-4pm

All families must pick-up devices at the assigned time or notify the campus at (210) 228-3365 if they need to pick-up at the makeup time. The student does not need to be present, but the parent or guardian picking-up the device must be on the students' record and have identification with them and the ability to sign all necessary paperwork.

All are asked to remain in their vehicle when picking up a device and a Knox staff member will bring the necessary forms and device to them.
